Guidelines for School Accounts and Catholic School Parent Councils

CSAC CSPC Origin, Nature of Role, and Purpose
CSAC’s Catholic School Parent Councils (CSPC) evolved from parent councils in the mid to late 1990’s in response to the Ministry’s attempt to encourage increased parental involvement in our schools. Under the Education Act, Ontario Regulation 612 (Appendix A), school boards in Ontario are required to establish a School Council for each school within the board. These Councils are advisory bodies that make recommendations to the school Principal or the board on any matter.

The Education Act, Ontario Regulation 612 outlines the Purpose of a CSAC CSPC:

(i) Through active participation of parents, to improve achievement and to enhance the accountability of the education system to parents.
(ii) Primary means of achieving this purpose is by making recommendations in accordance with this Regulation to the principal of the school and the board that established the council.

Many School Councils perform fundraising activities in the name of the school and as such are required to conform to the appropriate sections of Regulation 612 to the Education Act that deal with fundraising issues. The Principal is ultimately responsible for activities related to the school and therefore is responsible for all School Council activities.

Ownership of Catholic School Advisory Council Funds

The Ministry of Education’s document, School Councils a Guide for Members (2002), states that “School Councils should be aware that, because the school Board is corporate entity and the school is not, any funds raised by the School Council (and any assets purchased with those funds) belong, legally to the board.” Fundraising for schools by School Councils is a partnership between the school, the board and the fundraising group. This document can be viewed at http://www.edu.gov.on.ca/eng/general/elemsec/council/.

All fundraising activities and expenditures must be conducted in accordance with Board policies. This is clearly stated in Regulation 612, s. 22 of the Education Act. Under the TCDSB Policy Register, Fundraising in Schools S.M.04 (Appendix B), all fundraising must be carried out under the jurisdiction and supervision of the principal and may be a joint project with the local Catholic School Advisory Council.
APPENDIX BC – TCDSB POLICY S. 10
Sources and Uses of School Generated Funds

Funds are generated in schools from a number of different sources and used in a number of different ways. As per Regulation 612, these funds are under the direction and control of the school Principal.

Categories of School Generated Funds

1. **School generated fees for services, athletics, etc.**
2. **School generated fund raising for charities and /or specific events/initiatives.** In this category schools hold special fund raising drives to either assist a local or well known charity (i.e. Terry Fox Run) or to provide funds to support a specific event in the school, such as an excursion, or to support a specific initiative in the school such as the purchase of playground equipment. In this category, the staff in the school organizes and runs the fund raising activity without the involvement of the CSAC CSPC.
3. **CSAC CSPC generated fund raising for charities and/or specific events/initiatives/activities.** In this category, funds are raised for the same purpose as in #2 above; however, the direct involvement of the CSAC CSPC is evident. This category is identified separately because Board policy S.M.04 requires CSAC CSPC involvement in expenditure decisions and disbursements when funds are raised jointly.
4. **Funds raised through a Board wide initiative.** In this category, funds are raised through Board wide initiatives such as a beverage vending contract.
5. **Funds raised through local school initiatives.** In this category, where approved by the Board, schools raise funds from such things as cafeteria services. Any contracts entered into must conform to Board purchasing policy.
6. **Funds donated to schools.** This category deals strictly with donations made to a particular school either for a specific purpose or for general use. Such donations may be eligible for a charitable donation tax receipt.

Acceptable and Unacceptable Uses of School Generated Funds

All purchases made using school generated funds must comply with board policy and procedures. Relevant board policies with which to ensure compliance would include the fund raising policy S.M.04, and the board purchasing policy.

Funds raised for a specific purpose must be used for the intended purpose. For example, student activity fees charged for locks, yearbooks and agendas should be used for the purchase of these items. The accounting records must track each category separately.

Funds raised for general purpose with no specific intent must be used for school related activities, at the discretion of the school Principal, and as per category 3 above may require CSAC CSPC input.
As a general principle CSAC CSPC funds raised in a particular school year should be used to benefit the students in the same year unless they have been earmarked for a specific intent (i.e. the purchase of playground). In this case the carry-forward of funds should be a joint decision of both the principal and the CSAC committee CSPC.

A list of unacceptable uses of school generated funds would include:
- Items that are to be purchased from the Board’s budget (i.e. textbooks)
- Mileage reimbursements to staff
- Monetary payments to staff for services
- Gifts to staff
- Cell phones for staff
- Out of school parties for staff
- Principal Professional Membership Fees
- Principal/Vice Principal Conference Fees

CAUTION

- Expenditures made from school generated funds that do not directly benefit the students in the school are subject to greater scrutiny and may require further justification.

i) Roles & Responsibilities of the Principal

- Ensure that the Guidelines/Policies and Regulations relating to School Accounts and Catholic School Advisory Councils are implemented and in compliance with Board Policy.
- Required to share budget and school account information (i.e. school block account, school CSAC CSPC account, school outside agency account, and school main bank account ) with CSAC’s CSPC’s in the interest of accountability and transparency.
- To be the approved signing officer on the school account.
- To be one of the approved signing officers on the CSAC CSPC bank account
- Ensure that processes are in place to adequately control the funds within the school including security over cash and records.
- Review, sign and date the annual CSAC CSPC Financial Reports
- Distribute to CSAC CSPC committee and members and/or make available the annual financial reports as outlined in the Financial Reporting Requirement section.
- Notify the School Superintendent and the Senior Business Official immediately if funds are lost or stolen.
- Ensure that the CSAC CSPC Chair and Treasurer are aware and understand their roles and responsibilities.
ii) **Roles & Responsibilities of CSAC CSPC Chair and Treasurer**

- Work with the Principal to ensure that the sources and uses of funds raised comply with Board policy and established guidelines.
- Ensure fundraising activities involving the students and/or the school are in compliance with Board policies and no direct or indirect benefit is derived by a member of the School Council.
- Review, sign, and date the annual CSAC CSPC Financial Reports and CSPC meeting minutes.
- Distribute and/or make available the annual CSAC CSPC Financial Reports as disclosed in the Financial Reporting Requirement section.
- Work with the Principal to ensure that processes are in place to adequately control the funds and ensure security over cash and records of the School Council.
- Review, sign and date the bank reconciliation and CSPC meeting minutes on a monthly basis.
- Ensure that the Treasurer presents the financial reports and bank reconciliation at each CSAC CSPC Meetings meeting in a timely manner.
- Record the HST details for rebate purposes.

**Banking Procedures**

i) **Authorized Cheque Signatures for CSAC Accounts**

TCDSB Policy Register S.M.04 Fund Raising in Schools Regulation #6 is very specific:

When fund raising is a joint project with the local Catholic School Advisory Council and/or Student Council, it is understood that the decision making as to the disbursement is also a joint responsibility. The following shall be authorized to sign cheques (one person from each of groups (a) and (b) must sign each cheque):

a) two parent/student representatives on the Executive Committee of the Catholic School Advisory Council/Student Council – usually the Treasurer and the President Chair;

b) Two staff representatives from the school, namely the Principal and designate. The Principal’s signature is required on all cheques and only in the absence of the Principal will the Vice-Principal or Superintendent sign.

Policy S.M.04 has been formulated around Public Sector Accounting Board (PSAB) guidelines and principals and assumes that CSAC CSPC is under the control and influence of the Board. Furthermore, the ministry of Education’s document, School Councils a Guide for Members
APPENDIX BC – TCDSB POLICY S. 10

(2002), states “School Councils should be aware that, because the school board is a corporate
entity and the school is not, any funds raised by the School Council (and any assets purchased
with those funds) belong, legally, to the board.”

ii) Procedures for School Banking Cheque Signatures

A report was approved at Education Council on March 5, 2007 that revised the procedures for
cheque signing in the School Banking system. The following is a summary of the new
requirements.

<table>
<thead>
<tr>
<th>Cheque Amount</th>
<th>Required Signatures</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under $1,000</td>
<td>$5,000 Principal</td>
</tr>
<tr>
<td>Over $1,000</td>
<td>$5,000 Principal and Vice Principal or Superintendent Approval Form</td>
</tr>
</tbody>
</table>

Please note that our banks will accept one signature for all cheques including cheques which
exceed $1,000 $5,000. However, as an internal control measure if two signatures are not used, a
copy of the cheque and invoice must be forwarded to the school superintendent for their signature.
After signing the copy of the cheque and invoice the superintendent will return the approval form
back to the school to be attached to the original cheque for audit purposes. Scanned documents
will suffice.

Please note that school secretaries are no longer authorized to sign cheques for a CSPC or
school generated bank account. In most schools the secretary is preparing the deposits,
preparing the cheques for signature and preparing the bank reconciliation. By also signing the
cheque there is not a clear segregation of duties and this puts both the secretary and principal at
risk.

iii) Receipts

- For the security of funds and to protect anyone handling money raised through CSAC
  CSPC activities, all money needs to be counted and kept in the school for prompt
deposit into the bank account.
- All money received at the school is to be stored on site in a designated locked and
  safe location as soon as possible (i.e. same day).
- All money collected is to be deposited intact to the bank account promptly. This means
  that expenditures must not be paid from the cash collected. The total funds are
  deposited to the bank account and a cheque is written to pay for expenditure.
- All staff or CSAC CSPC members collecting money must complete the attached
iv) **Disbursements**

- All disbursements should be recorded promptly
- All cheques require 2 signatures (see authorized cheque signatures above)
- Pre-signing of cheques is not permitted. Signature stamps are not permitted.
- Payments should only be made upon the presentation of an invoice, receipts or other appropriate supporting documentation.
- Cheques made payable to cash is not permitted.

**CAUTION**

- Deviation from the above guidelines will leave the school and CSAC CSPC vulnerable to potential problems. The need to have guidelines in place is often not recognized until something goes wrong. The goal is to have controls that ensure money is handled appropriately, that staff are protected and that records are accurate, up to date and useful. The controls are only as good as their enforcement.

**Financial Reporting Requirements**

To enable the CSAC CSPC to manage and monitor School Council funds and fundraising activities, current financial information is required. To achieve this goal, monthly reports outlining the sources and uses of the funds and the current financial position of the CSAC CSPC are required.

The fiscal year for CSAC CSPC Councils is September 1 to August 31 June 1 to May 31st of the following year. This is the same as the boards’ fiscal year prescribed by the Province of Ontario in order to meet the Principal’s reporting responsibilities as outlined in the Ontario Regulation 612. Annual financial reports shall reflect the activities undertaken during this timeframe. Sample Budget, Monthly and Yearly Financial Recording Templates can be found at https://tcdsbcec.sharepoint.com/teams/Parents-CSPC

It further states “If the school council engages in fundraising activities, the annual report shall include a report on these activities.” This annual report should be the sum of the monthly treasurer’s reports received by the council ending on August 31st

Financial Review/Audit

Regular reviews/audits of CSAC CSPC Financial records help to ensure compliance with the TCDSB policies and procedures. A review/audit is an independent examination of specified activities, which is used to assist management in the assessment of whether the organizations plans are carried out; policies and procedures are observed; and accounting is accurate for assets, liabilities, revenues and expenses and reporting is done on a timely basis.

Scope of Review/Audit

The scope of the review/audit includes:
- Evaluate the adequacy and application of financial and other operating controls;
- Review compliance with related board policies;
- Evaluate the timeliness, accuracy, and usefulness of the school’s records and reports;
- Ensure that the CSAC CSPC funds are properly accounted for and safeguarded from loss; and
- Comment on the extent to which funds raised are used efficiently, effectively, and for the purpose stated prior to the funds being raised.

Review/Audit

The review audit consists of the following elements:
- A meeting with the school principal, CSAC CSPC Chair and CSPC CSAC Treasurer
- Gathering of relevant records from the school, banking institutions and CSAC CSPC
- Examination of financial records
- Preparation of review/audit report outlining the findings and results of the review/audit
APPENDIX BC – TCDSB POLICY S. 10

CSAC CSPC Record Retention

Regulation 612, s. 16, states that “(1) a school council shall keep minutes of its meetings and records of all its financial transactions.” It goes on to state that “(2) the minutes and records shall be available at school for examination without charge by any person.”

As a matter of consistency with other financial record retention requirements, all records are to be maintained on board premises for a period of seven years.

Issue:

- The Board recognizes the hard work and long hours CSAC CSPC volunteers put in to achieve their goals. Volunteers have expressed a concern that they be able to work out of their homes and create their own hours to balance their volunteer activities with family and work responsibilities.
- The Board must also maintain custody of the documentation that supports our reports to the community and the year over year continuity from one CSAC CSPC executive to the next or from one principal to the next

Recommendation

In the interest of supporting both the volunteers and the Boards responsibilities the following guidelines should be considered:

1. The CSAC treasurer should be able to work from home in the preparation of CSAC CSPC financial records. At some point, interim reports will be prepared and bank statements and accounts will be reconciled. At this point the historical records and analysis that supports this work must be filed and stored at the school for future reference and audit. The Principal, in consultation with the CSAC CSPC executive, should have the final say as to what the reasonable time periods should be. As a guideline, the maximum period for an un-reconciled account must not exceed 3 months.

2. All CSAC CSPC financial documents including blank cheques and bank books must be stored at the school when it closes for the summer, usually mid July. There should be no petty cash. All petty cash and cash receipts should be deposited in the bank account and there should be no purchase activity from the account until the school opens in the fall.

3. The Boards external auditors and the Finance Department will select 15-20 locations each year to audit their school banking, CSAC CSPC and nutrition accounts. If your school is selected, all relevant financial documentation must be brought to the school on the agreed upon date for the visit.
APPENDIX BC – TCDSB POLICY S. 10

4. If for any reason the historical records need to be removed from the premises then the principal should be aware of this fact and should have a timetable for their return. This may be done using a sign out system or any other method the principal feels is appropriate to remain accountable.

Change in School Principal/ CSAC CSPC Chair/ CSAC CSPC Treasurer

Changes in principals and CSAC CSPC members at schools are frequent and should not impact on the day to day administration of the school generated funds.

In order to ensure that when the principal changes or when there are changes in the CSAC CSPC Chair and/or Treasurer, basic information is transferred to the new principal/staff, the following form should be completed:

- The accompanying form is to be completed by the exiting principal and CSAC CSPC Treasurer.
- The new principal or the new CSAC CSPC Treasurer should verify its accuracy. Any discrepancies should be clearly identified.
- The new principal should arrange for the signing authorities to be updated with the financial institution.

Cash Donations

Please note that CSAC CSPC can not issue tax receipts. They are not registered charities.

The Toronto Catholic District School Board (“TCDSB”), which is a charitable organization, accepts donations that are used for educational purposes (i.e. board programs, school-raised funds etc). The donation cannot be reverted back to an organization or individual outside of the Toronto Catholic District school Board (e.g. CSAC CSPC, Alumni Associations etc.).

A donation (gift) is a voluntary transfer of property without valuable consideration. Generally a gift is made if all three conditions listed below are satisfied:

- Some property- usually cash – is transferred by a donor to a registered charity;
- The transfer is voluntary; and
- The transfer is made without expectation of return. No benefit of any kind may be provided to the donor or to anyone designated by the donor.

Tax receipts are issued for the donations subject to all applicable income tax laws, regulations. Interpretation bulletins, brochures and guides, and newsletters under the Canada Revenue Agency
The preferred method of making a donation if using “Making a Donation” on KEV. Using this method offers schools the many advantages.

1. It is convenient and easy to use
   - Anyone can secure donations 24/7 from the comfort of their home using various payment methods

2. It is student safe and it reduces risk
   - Children will not have to carry cash or a signed cheque to school
   - Reduces risks associated with cash handling

3. Tax receipts
   - Tax receipts are issued automatically directly to the donor and may be reprinted
   - No minimum required to receive a tax receipt

4. Saves Time
   - No school involvement in the process
   - Board electronically transfer donation funds directly to the account identified by the donor

Tax receipts will only be issued for individual donations of $25.00 or more. Cash donations must be in the form of a cheque made payable to “TCDSB”, except when there is more than one donor. **If there is more than one donor**, it is then best to have the cheques made payable to the school and deposited in the school bank account. **Then, the school submits** and then one cheque for the total amount be submitted to the Board, accompanied by an electronic excel spreadsheet outlining the donor’s name, addresses and amount of donation.

You may also donate through CANADA HELPS. (See section below).

If a CSAC/CSPC wishes to provide a tax receipt for a donor, the Council they should follow the same procedures above. A cheque and electronic spreadsheet should be submitted to the Board. Reference should be made to the CSAC/CSPC. The donation will then be deposited into the revenue cost centre for the applicable school (either Outside Agency or CSAC/CSPC). The school may then use the related expenditure cost centre to make purchases against the revenue received. The cheque should be sent directly to the Toronto Catholic District School Board, 80 Sheppard Avenue East, Toronto, On, M2N 6E9, Attention: Chris McRae, Finance Department.

The Finance Department issues an Official tax Receipt, with a thank you acknowledgement, and mails it out to the donor, unless there are numerous donations and then the official receipts and acknowledgements will be returned to the school for mailing.

Funds may be accessed by:

a. A SAP purchase order to purchase an item through the board; or
b. A cheque requisition **signed by the principal** made payable to the school for
reimbursement of an item purchased (original invoice must be attached to cheque requisition).

CANADA HELPS

Canada Helps is an online donation portal that facilitates the donation process at very little cost. Canada Helps provides the secure on-line link to take a donation; they provide the means to use a credit card; they deposit the funds into the Board’s bank account within days; they issue an electronic charitable tax receipt to the donor and they provide a downloadable reporting structure that can be distributed to each school. Canada Helps deducts 3% of the money collected which is used to offset the processing fees for credit cards. There are no other fixed or hidden fees for using the service. For more information you can visit their website at www.canadahelps.org.

*IMPORTANT*

Before you direct donors to the webpage you must request the Finance Department to set up your school as a selection on the “Fund/Designation” screen. After your school has been set up you must instruct your donors to select your school from the “Fund/Designation” screen. If they do not specify the school then the donation will be recorded as a general donation to the Board.

The process will work as follows:

1. The school must be registered as a choice under the “Fund/Designation” screen on the Canada Helps TCDSB website. You must request the Finance Department to complete this step.
2. You may solicit donations from your community by asking them to visit the website. The Canada Helps website can also be accessed from the TCDSB website by selecting the “Donate Now” button which will redirect you to the TCDSB selection on the Canada Helps website.
3. The donor will select the school or fund that they wish to direct their donation and will pay for this on-line using their credit card.
4. The donor will be issued a printable tax receipt immediately by email.
5. The money collected will be transferred to the schools Outside Agency account at the end of each month. On a twice-monthly basis the Finance Department will distribute a report to each school itemizing each donor and amount. This will facilitate timely recognition where necessary.

This represents another option for collecting donations requiring tax receipts and reduces effort. You may still collect cash donations and send them to the Finance Department for receipts.
Crime Insurance

School councils are involved in fundraising for their schools and collect a great deal of money. The question has come up regarding insurance coverage if those funds were to be stolen or disappear from the school. School boards purchase crime insurance to cover the board’s losses of money and securities. Coverage would only be extended to monies owned by the CSAC CSPA’s in situations where the school and/or board are holding the funds in trust. In order to be considered “held in trust”, funds need to be in the care, custody and control of the principal or secretary.

- Example 1
The school council has a bake sale and generated $2,000. The money is given to the school secretary on Friday to put in the school safe to hold over the weekend. When the secretary goes to retrieve the funds on Monday she finds that the money is missing. A claim is forwarded to the Board’s insurance provider and paid subject to the deductible amount because the funds were held in trust by the school.

- Example 2
Same scenario as above except that the school council member takes the $2,000 and makes their way to the bank to make a deposit. The council member has the money stolen from their vehicle on their way to the bank. In this situation, coverage would not be extended as the funds are no longer held in trust by the school and/or board.

Recommendation

To maximize crime insurance coverage, funds should be stored securely at the school location under the care, custody and control of the school principal or school secretary wherever possible and financial records must be in place to support any loss claim.

Liability Insurance

The Board’s liability insurance coverage for events held away from Board property is the same as the coverage for events held on Board property provided that the event is authorized/approved by the principal of the corresponding school.

OSBIE”s Board Liability coverage is $20 million per occurrence with no deductible and also includes coverage for volunteers.

Requests for a Certificate of Insurance or for a Confirmation of Coverage Certificate
**APPENDIX BC – TCDSB POLICY S. 10**

- Many outside facilities will request proof that adequate insurance is in place before they will allow a group to occupy their premises.
- These certificates can be obtained from the Finance/Risk Management Department and are usually available within two days.

**Supplemental CSAC CSPC Liability Insurance**

Supplemental liability insurance for CSAC’s CSPC may be purchased at their own expense through the Board’s insurer (OSBIE). This insurance would be purchased only where in the out of the ordinary situation that CSAC CSPC activities will be undertaken that are not typically considered normal educational activities and are not endorsed or approved by the principal of the school. This insurance will only be made available at the beginning of each school year and if the CSAC CSPC decides later in the year that they would like to purchase supplemental insurance then they will unfortunately be required to find their own source.

**Ministry of Education -Parent Involvement Committee (PIC) Funding**

The Ministry of Education has made the goal of increasing parental involvement in education a key strategy towards improving student achievement. To support this strategy, the Ministry continues to provide school councils with $500 base funding from the Grants for Student Needs (GSN) school boards receive every year. This allocation is intended to assist school council’s communication and engagement activities with parents and their local school community.

Typical activities listed by the Ministry that may be funded as part of this base allocation include the following:

- Broadening the number of school events that include parents and the number of parents who attend;
- Diversification of communication tools (e.g. translation of existing materials) to meet the varied needs of parents.

The Parent Involvement funds are provided to the school councils on an annual basis (Ministry funding permitting) through the CSAC CSPC Account (CC Loc 333) with the Toronto Catholic District School Board’s financial system. Funds can be expended by following established purchasing procedures and/or submitting cheque requisitions with appropriate back-up and signatures for payment processing. The school council is responsible for keeping records, receipts and submitting an annual report detailing how the $500 base funds were expended in each school year, as prescribed by the Ministry of Education.
MEMORANDUM

TO: Chairpersons and Directors of Education
- All Catholic District School Boards

FROM: Nick Milanetti, Executive Director

SUBJECT: 2020 AGM Resolutions

Please review this information at a meeting of your board.

The study and processing of resolutions is one of the fundamental responsibilities of OCSTA. The resolution process provides member boards with the opportunity to shape the work of the Association by bringing important issues which have provincial implications to the attention of all trustees in the province. Delegates will consider and vote on all resolutions received from OCSTA members.

During the year, important issues of a provincial nature that arise at the board level may be used to develop resolutions for OCSTA. Resolutions may be submitted at any time up until the deadline of January 31, 2020.

Guidelines for Preparing Resolutions

To improve the effectiveness of the resolution process, we ask boards to review the following guidelines.

Resolutions are your opportunity to shape the work of the Association by addressing problems, solutions or concerns, which affect Catholic education in Ontario. A resolution approved by the membership at the Annual General Meeting calls for priority action by OCSTA and the commitment of OCSTA resources to address the particular issue outlined in the resolution.

A. All Resolutions will be reviewed by the Resolutions Committee and a Committee Recommendation will be added to each Resolution. Committee Recommendations will be guided by the following criteria.

The resolution:

a. Is in keeping with the Mission, Vision and Strategic Priorities of the Association.
b. Is of a provincial nature and addresses an area of concern for the province’s Catholic school boards is a matter that requires attention or action.
c. Is written in language appropriate for province-wide consideration (language contained in resolutions is often incorporated into subsequent communications to the government or other relevant parties).
d. Is accompanied by substantiated rationale.
e. Does not deal with education funding issues.
   - OCSTA addresses education funding issues in the Annual Finance Brief to the Minister and submission to the yearly Pre-Budget Consultation. Boards are encouraged to submit education funding issues requiring Association action and advocacy by the middle of October.

B. Steps in Preparing a Resolution

1. Review the Mission, Vision and Strategic Priorities of OCSTA.
2. Identify the concern. Be sure the concern is a matter of province-wide scope.
3. Research and gather sufficient supporting background materials to substantiate the resolution. If the concern has been presented/dealt with in a previous resolution, review the outcome of that process to assess what changes in approach/additional information might be useful.
4. Write the resolution in the following proposed format taking care to ensure that:
   a. Each “Whereas” is accompanied by adequate background material.
   b. The “Therefore be it Resolved” directs OCSTA to take specific action.

C. Writing A Resolution

Structure

The resolution should be assigned a succinct title that identifies the problem or issue (or its proposed solution). There should be two parts to the resolution: a preamble followed by a resolving clause (or clauses).
1. Preamble

The preamble is a brief statement of background or rationale coming before the resolving clause(s). The purpose of the preamble is to provide information without which the point or the merits of a resolution are likely to be poorly understood.

Each clause in a preamble is written as a separate paragraph, beginning with the word “WHEREAS”.

2. Resolving Clauses

A resolving clause indicates what action(s) is to be taken given the “WHEREAS” clause(s) in the preamble. If more than one action is being recommended, the “Therefore be It Resolved” portion should be divided into a), b), c), etc.

3. Submission Statement

Please include the following information in the submission statement.

[Mover’s Name]
[Seconder’s Name]
[Board Name]
[Topic]

D. Submission Deadline Date

The **final** deadline date for receipt of resolutions in the OCSTA office is **12:00 p.m. EST, January 31, 2020**. We encourage boards to submit their resolutions at any time from May to January by email to Connie Araujo-De Melo at cdemelo@ocsta.on.ca.

E. Regulations

Please see the attached current regulations regarding submission and presentation of resolutions at the AGM.

These guidelines, the enclosed template and the resolution session procedures are provided as a reference that we hope you will find useful in preparing effective resolutions for your Association and Catholic education in Ontario.

Moved by: [Mover’s Name] [Board Name]
Seconded by: [Seconder’s Name]
Topic: [e.g. Vacancies on School Boards]

Whereas: from time to time a vacancy occurs in the office of a member of the board; and

Whereas: according to Section 221(1) of the *Education Act*, the vacancy must be filled by either a by-election or by appointment; and

Whereas: boards choosing to appoint a new trustee will, most commonly, engage in an open and fair process of selection; and

Whereas: the *Education Act* requires that the process be fully completed within 60 days of the office becoming vacant; and

Whereas: the 60 day time period may encompass a part of the year (e.g. Christmas, summer months, March Break) when board operations and processes are reduced, thus making the timelines very tight and, potentially, unmanageable;

Therefore be it Resolved that:

OCSTA petition the Ministry of Education to review the section of the *Education Act* which relates to trustee vacancies with a view to extending the timeline by either increasing the number of days or altering the requirement that the process be completed within a designated number of regular school days.

A. EXECUTIVE SUMMARY

This report recommends updates to the current Bullying Prevention and Intervention Policy S.S.11 to conform to current legislation, ensure equity and to reformat in meta policy format.  
*The cumulative staff time required to prepare this report was 10 hours*

B. PURPOSE

This Recommendation Report is on the Order Paper of the Regular Board as it recommends a policy revision.

C. APPENDIX

Appendix A: Bullying Prevention and Intervention Policy S.S.11

D. COMMITTEE RECOMMENDATION

That the Board accept the recommendation of the Governance and Policy Committee and approve the Bullying Prevention and Intervention Policy S.S.11 as amended and proposed in Appendix A.
Purpose:
This Policy affirms the need for students to feel safe, included and welcomed at school. A whole-school approach is required to raise awareness about inclusion, respect and bullying behaviours in order to provide strategies to intervene and prevent bullying for the target victim, the witnesses and bystanders, as well as the perpetrator of student who engages in bullying behaviours.
A safe and positive learning environment is essential for student achievement and well-being, and to supporting students to reach their full potential.

**Scope and Responsibility:**

The policy extends to all students of the TCDSB and assigns specific duties to principals and employees of the board to ensure compliance with the policy and legislation. The Director of Education, the Superintendent of Safe Schools, and school Principals are responsible for this policy.

**Alignment with MYSP:**

Living Our Catholic Values

Strengthening Public Confidence

Fostering Student Achievement and Well-Being

**Financial Impact:**

The TCDSB Safe Schools Department provides professional learning for TCDSB staff, students and parents in a variety of ways. There would also be costs associated with services provided by external agencies.

**Legal Impact:**

The Education Act requires school boards to develop goals for promoting a positive school climate that is inclusive and accepting of all students and for promoting the prevention of bullying. There may be liability that is associated with failure to provide appropriate prevention and intervention strategies to address bullying behaviours occurring at schools.
Policy:
The Toronto Catholic District School Board is committed to providing safe, healthy, inclusive, equitable and Christ-centered learning environments that support student achievement and well-being. Bullying adversely affects a student’s well-being and ability to learn. Bullying also adversely affects the school climate, including healthy relationships. Bullying behaviour will not be accepted on school property, at school-related activities, on school buses, or in other circumstances (e.g. online). Where engaging in Bullying behaviours that will have an impact on the school climate, including incidents occurring off school property and outside school hours, will not be accepted. Bullying behaviours presented by students will be investigated and addressed promptly by the principal, and supports will be provided for the target(s) of bullying behaviours, the individual(s) responsible for the bullying behaviours, and the witnesses and bystanders of the bullying behaviour.

Regulations:
1. Each school in the TCDSB will have a Safe and Accepting Schools Team that will develop a local bullying awareness, prevention and intervention plan consistent with integrating local needs as part of its Safe Schools Plan. The Plan will be posted on each school’s portal page.

2. Employees of the board must take seriously all allegations of bullying behaviour and act in a timely, sensitive and supportive manner when responding to students who disclose or report bullying incidents.

3. Board employees who work directly with students must respond to any student behaviour that is likely to have a negative impact on the school climate if it is safe to do so. If board employees feel it is not safe to respond, they will be expected to inform the principal verbally as soon as possible.
4. Employees, bus drivers, third party service providers, and other individuals identified in the TCDSB Code of Conduct will report to the Principal, as soon as reasonably possible, if they become aware that of a student at a school of the board who may have engaged in bullying behaviour or any other activity for which suspension or expulsion must be considered. The employee must consider the safety of others and the urgency of the situation in reporting the incident, but, in any case, must report it to the principal no later than the end of the school day. In cases where an immediate action is required, a verbal report to the principal may be made. A written report must be made when it is safe to do so. All employee reports made to the principal, including those made verbally, must be confirmed in writing using the Safe Schools Incident Reporting Form–Part I must be completed and submitted to the principal by the end of the school day.

5. The Principal must investigate all reports submitted by board employees. The principal will communicate the results of the investigation to the teacher who made the report. If a board employee who is not a teacher made the report, the principal will communicate the results of the investigation to that employee if the principal considers it appropriate. In all cases, the principal will provide the employee who reported the incident with written acknowledgement using the Safe Schools Incident Reporting Form – Part II. Employee who made the written report.

Where the principal has taken action in response to the incident of bullying, a copy of Reporting Form-Part I and accompanying documentation will be filed in the student’s OSR as per the Ministry of Education requirement.

The principal will invite parents/guardians to discuss the supports that will be provided for their child.

8. A principal shall not notify a parent of a student if, in the opinion of the principal, doing so would put the student at risk of harm from a parent of the student, such that notification is not in the student’s best interest. When principals have decided not to notify the parents that their child was involved in a serious student incident, they must document the rationale for this decision and notify both the teacher who reported the incident and the appropriate supervisory officer of this decision. Principals should also refer students to board resource staff who, if needed, can make referrals to community-based service providers that can provide the appropriate type of confidential support.

In circumstances where board employees have reason to believe that a student may be in need of protection, board employees must call a children’s aid society according to the requirements of the Child, Youth and Family Services Act.

9. If dissatisfied with the supports in place by the principal in response to the complaint, parents are encouraged to contact the area superintendent. If the matter remains unresolved, parents may request that the superintendent inform and consult with the Associate Director or Director in order to reach a resolution.
10. Consistent with progressive discipline approaches for correcting inappropriate behaviour, a principal shall consider suspension for a student who engages in bullying behaviours.

11. A student will be suspended pending possible expulsion for bullying behaviour if, Principals must suspend a student for bullying and consider referring that student for expulsion:

   i. Only if the pupil student has previously been suspended for bullying, and the pupil's student's continuing presence in the school creates, in the principal's opinion, an unreasonable unacceptable risk to the safety of another person.
   
      ii. If the bullying was motivated by hate, prejudice or bias.

12. Principals must also suspend a student, and consider referring that student for expulsion for any activity considered for suspension [subsection 306 (1) of the Education Act] if the activity is motivated by bias, prejudice or hate based on race, national or ethnic origin, language, colour, religion, sex, age, mental or physical disability, sexual orientation, gender identity, gender expression or any other similar factor (e.g. socio-economic status, appearance).

13. The principal will ensure resources, programs, intervention and other supports identified in the board bullying awareness and prevention plan are provided to students who have been bullied, students who have witnessed incidents of bullying (bystander) and students who have engaged in bullying behaviour to assist them in developing healthy relationships and practicing pro-social behaviours.

   The programs, intervention and other supports will be provided by school-

based employees of the board, and may be provided by external, third party providers as per the TCDSB Protocol. For students with special education needs, interventions, supports, and consequences must be consistent with the students’ strengths and needs, as well as with the program goals and learning expectations documented in their Individual Education Plan (IEP).

14. The Board will provide annual professional development programs to educate teachers and other school staff about bullying prevention strategies for promoting a positive, safe, welcoming, and inclusive school climate.

15. Schools will provide opportunities for students to participate in bullying prevention and leadership initiatives within their own school.

16. The Board will identify safe reporting procedures in bullying awareness, prevention and intervention plans that allow students, parents, guardians and other persons to report incidents of bullying to staff of a school in a way that minimizes the possibility of reprisal and that ensures incidents of bullying are addressed in a timely, sensitive and supportive manner.

17. Principals will support students who want to establish and lead activities and organizations that promote a safe and inclusive learning environment, the acceptance of and respect for others and the creation of a positive school climate. These activities and organizations may promote gender equity, anti-racism, an understanding and respect for people with disabilities, or an understanding and respect for people of all sexual orientations and gender identities. The activity or organization must promote a positive school climate that is inclusive and accepting of all students, and must be consistent with Catholic social teachings and the expectations of the Code of Conduct.
