EXECUTIVE DIRECTOR’S ANNUAL UPDATE REPORT: 2019

Introduction

A number of changes and improvements have taken place at the Foundation since assuming the role as Executive Director on May 21, 2019. Change is never easy, but always necessary as organizations strive to improve how it fulfills its principal mission to stakeholders.

Our leadership role as the Official Charity of the Toronto Catholic District School Board brings with it a unique, multi-dimensional responsibility to respect and represent the diverse needs and challenges of all our students and their families. It is a belief held firmly by the AFL Board as we continue our vital work supporting and empowering students to succeed to the best of their abilities intellectually, physically and spiritually.

Established in 1987, the Foundation’s core business is the delivery of critical student nutrition programs operating in TCDSB schools where one in three families live below the poverty line. Operated locally by volunteer coordinators, this program serves over 1 million healthy breakfast or nutrition breaks each month. Public funding for student nutrition totaling approximately $6.5 million annually is provided through public partnership grants with the City of Toronto/Toronto Public Health (TPH), the Ministry of Children, Community and Social Services (MCCSS) and the Toronto Foundation for Student Success (TFSS).

Rounding out its Four Wings of Support, the Foundation also raises monies through corporate sponsorships, donations and fundraising events to support AFL programs which target needed monies to: Student Scholarships, Awards and Bursaries; the School Allocations Program that ensures all students can participate in camps and class trips; and the Guardian Angel Fund providing items such as hearing aids, eyeglasses, warm clothing, food vouchers and other basic life essentials.

This first Executive Director’s Annual Update Report is my commitment to transparency as the Foundation continues to work diligently alongside members of the AFL Board, the TCDSB Board of Trustees and Board Staff, as well as the hundreds of community supporters and corporate partners. Sharing critical information and highlights of the AFL’s operations is based on the fundamental belief that only by working together can we safeguard the sustainability of the broad range of programs to meet the ever burgeoning need to support and assist TCDSB students and their families.

I look forward to continuing on this journey of witness, faith, innovation and action with all our community stakeholders, partners and sponsors.

John W. Yan
Executive Director

3. **Financial Statement Highlights**

Auditors have recently completed their audit filed their report for the fiscal period ending August 31, 2019. The financial health of the Foundation remains strong despite a stated one-time deficit of $73,231. In June, 2019, when it became clear that the Foundation would significantly exceed its anticipated 2018-2019 budget deficit of $29,400, measures were put in place to ensure expenditures matched program needs in terms of value for dollar.

For 2020, there will be a refocus on efforts to ensure appropriate fiscal management and accountability processes continue to keep pace with the growing financial resources the Foundation is responsible to oversee. In October the AFL Board of Directors approved a balanced budget for the 2019-2020 fiscal year. For the first time, the total AFL budget will exceed $7 million in forecasted revenues.

To ensure the use of best practices in financial oversight and performance, Auditors have recommended a transition to a new accounting system that aligns with the Foundation’s needs. AFL Management is committed to continuous improvement and will transition to Quick Books. An update on this important change will be made once the new Finance and Accounting Officer has been hired and set up the new system.

Also moving forward, the budgeting process will occur much earlier, with the goal of approving the budget for the upcoming fiscal year by June of the current year. To support this work, the Executive Director is recommending the formation of a budget committee led by the Treasurer, to be formed at the February Board meeting each year.
4. Governance

The constitution of a By-Law Review Committee at the September 2019 Board meeting was the first step in seeking improvements in governance, financial, accounting and operational processes for the Foundation.

One of the key components for enhanced governance is related to board composition. The AFL Board of Directors is rather large (common for NPOs), and consistently changing membership, however a better governance framework as outlined in a new set of By-Law and Policy and Procedures should enhance performance. It is important to build a board that is sufficiently large to carry out board’s responsibilities, without unnecessarily degrading its effectiveness with excessive numbers that inhibit individual engagement and involvement for board members.

Consequently, the Executive Director’s recommendation is to continue with the current review of the Foundation’s By-Laws and Policy and Procedures, but with an emphasis on also reviewing its governance charter and conduct a review of board effectiveness.

5. Strategic Plan and Communications

Every organization needs a solid communications and strategic plan. The current AFL strategic plan “Looking Back in Order to Move Forward” was last updated in 2013 and ended in the 2018 program year.

The Executive Director recommends that work begin on a new strategic plan that also incorporates a comprehensive communications strategy to ensure its success. With the beginning of a new decade as the perfect time to engage in such an exercise, a working title of “Future Focus: Beyond 2020” as the working title. As with all such processes, the plan should reflect the engagement and input of Foundation’s stakeholders and supporters from across the TCDSB school community, the Archdiocese of Toronto and all major government agencies, public and private donors and sponsors. Community engagement and consultations will begin in Spring 2020.

Conclusion

The Foundation would not be able to carry out its work without the active support of the TCDSB Board of Trustees and Staff. Generous staff support resources and office space provided by the TCDSB is tangible reflection of our Catholic values in action every day. We are thankful to the Board of Trustees for their ongoing commitment and contributions to the AFL’s work, as we all strive to empower our students to soar.

Dear Ms. Kennedy, Ms. Maselli-Jackman, Mr. Rory McGuckin and current members of the SEAC committee,

It is with great interest that I wish to submit my letter of interest to the TCDSB SEAC decision making committee for consideration to be added to the committee membership in the 2019-2020 school year. This can come, in part, through an email exchange with Melanie Battaglia early in September of this year.

My name is Sandra Hughes, and I have worked in the field of special education, treatment and therapeutic intervention for individuals with autism and related disorders over 22 years. I hold a Bachelor’s degree from McGill University and a Master’s degree in Education from Trinity College Dublin, Ireland. I am also a Board certified Behaviour Analyst, practicing in both provincial and international levels focusing on services to those 2-30 years of age.

I believe I can contribute to both the discussion and possible dissemination of information both in the focus on inclusivity and specialized services, when needed. I have worked in private sector, government sector management positions and am now the Executive Director of New Haven Learning Centre since 2016. I believe fundamentally in individualized services when needed with a priority on meeting the needs of many. I am an ongoing member of ONTABA, CASDA, ABAI and advocate frequently for evidence-based educational programs at all levels of ability.

It would be my pleasure to speak in more depth as to the interest and focus on the committee at this time and see if I can be a valued contributor within the Catholic educational system. Please note I will have email access only for the coming days as I will be at the ABA International conference presenting on pre-vocational training for young adults.

Best regards,

Sandra Hughes, M.Ed., BCBA
