Name	Serafina Sutera
Committee	Student Achievement and Well-Being Catholic Education Human Resources
Date of Presentation	3/3/2016
Topic of Presentation	The 5th Block Intervention Program
Topic or Issue	Possible elimination of program due to funding cutbacks.
Details	I am a parent who would like to advocate the tremendous positive affects this program has had on my son who was fortunate enough to be included in this intensive early literacy intervention. Because of the support the teacher and the framework of the program offered my son in grades 1 and 2, he was able to go from a level D to G in Grade 1 and in Grade 2, went from a level G to M - that is 9 reading levels! Not only did this program help to strengthen my son's reading skills, it promoted the most important thing of all; self- confidence.
Action Requested	That the 5th Block Intervention Program continue to provide the support our children need to strengthen their literacy abilities and promote self-confidence and that the teachers and schools who make this program possible be provided with the support they require to continue this excellent program.
I am here as a delegation to speak only on my own behalf	Yes
I am an official representative of the Catholic School Advisory Committee (CSAC)	No St Benedict
I am an official representative of student government	
I am here as a spokesperson for another group or organization
