Name	Desmond Alvares	
Committee	Corporate Affairs Strategic Planning and Property	
Date of Presentation	4/14/2016	
Topic of Presentation	Waitlist for Senator O'Connor	
Topic or Issue	Increase in enrollment at Senator O'Connor in 2015/2016 and planned increase for 2016/2017. Last year over the summer without consultation with the parent community about 100 wait-list students were accepted. This year students on the wait-list have also been accepted without consultation.	
Details	Senator O'Connor was built to accommodate around 1,060 students. For the previous number of years the enrollment was stretched to 1,200 - with about 300 students in each of the high school grades. The increase in enrollment, is detrimental to student success and well being. Full planning needs to be conducted to increase enrollment to 1,600.	
Action Requested	Re-instate the wait list, Look at other option to deal with the increased enrollment. Do not put portables on the site as this will not deal with increase space required in general areas.
