Details	We have come before the Board previously and asked for a Bus loop in front of St. Eugene. We received a good response but have not heard anything since. We are back again to ask that the loop be installed by September 2018/2019 school start. This is a matter of safety for the students and a matter of calming the congestion we have been experiencing with the increase of student population because of the school expansion.
Action Requested	That a Bus Loop is installed by September 2018//2019 School year star .
