

# Special Education Superintendent Update

## June 2018

### Secondary School Student Special Olympics

On May 29, 2018, the Special Education Department in cooperation with three secondary schools, St. Mary Secondary Academy, Loretto College and Francis Libermann hosted the 21<sup>st</sup> annual Special Olympics for Secondary School Students in our intensive support programs. The Event was well attended with almost 800 students and staff.

**Student and adult volunteers provided the much needed behind the scene organization and support that made the event exceptional.**
