Ward 1 Annual Report

Ward 1 Report – 2017/18 Year

Ward Reps: Markus de Dominico and Alison Canning

Our accomplishments in 2017/18 year:

- Represented CPIC at 11 parent council meetings and met with administrative staff in 13 schools
- Distributed extra copies of Roberts Order of Rules Handbook, Ministry Parent Council Guide and/or School, Family and Community partnership Guides to 6 schools in the community
- Hosted **two community ward-wide events**
 - The screening of Screenagers at *Father Serra* in March. We had approximately 100 people attend including special guests MPP Yvan Baker, Councillor John Campbell, CPIC Chair Geoff Feldman, Superintendent Flora Cifelli. Ms Cifelli and Mr. Baker were part of the panel discussion after the movie. Community partners included Telus. A survey was conducted and the report was an A+!
 - The screening of Screenagers at *Monsignor Percy Johnson CHS* in May. We had approximately 80 (35 families) people attend. There were more youth at this event since it was held at a high school. We didn't not have any special guest, but our panel discussion were led by Toronto Public Health Nurse, Sheila Singh, and 3 students from MPJ Safe School Committee. Community partners included Telus, Guelph/Humber University, MPJ Safe School Committee, MPJ Robotics team bake sale, Toronto Public Health and an info table courtesy of OAPCE and CPIC. We also received a donation of the Money and Youth Financial literacy guide from Investor Groups for door raffle. Child care was available and volunteer support was provided by MPJ students.
- Hosted **our first online Roundtable Discussion**. The purpose is to foster connection, collaboration and planning among school communities. Although we just had 4 school represented and 7 register, those who attended agreed it was a worthwhile event and would like to continue. Engagement between schools continued after the talk.
- Created a **CPIC Ward Kit** for ward and parent council reps to use at any community or school event. The kit currently includes
 - TCDSB's CSPP and PRO Grant brochures,
 - OAPCE info sheet,
 - copies of OAPCE's PRO grant presentation,
 - 4 CPIC hand out for parent council with ideas to foster parent engagement and involvement
 - Screenagers parent handout,
 - copies of the Ministry's parent engagement policy

OPENING STATEMENT

Dear Director of Education, Chair of Trustees, TCDSB Parents and members of the Toronto Community:

The Toronto Catholic Parent Involvement Committee “Toronto Catholic PIC” had a very busy, cooperative and engaging year. Parents are welcome to attend any of our meetings or events. Meetings are normally held on the third Monday of each month other than March, July and August. To be certain of the exact dates and times Toronto Catholic PIC meetings are posted on the TCDSB website.

<https://www.tcdsb.org/Board/TrusteesoftheBoard/boardmeeting/Pages/BoardMeeting.aspx>

As you are may be aware, the purpose of your Committee is to promote, support, encourage and enhance parent engagement and parent involvement in our child's or children's education to help improve their academic achievement and well-being.

We are first and foremost a parent-centric body. Our primary means of achieving our purpose and objectives is by providing information and advice on parent engagement and parent involvement to the TCDSB through the Director of Education and the chair of the Board of Trustees.

In addition, we work co-operatively with and support our school councils--CSPCs--through the principals of TCDSB schools and/or the chairs and members of each CSPC to help the members develop skills and acquire knowledge to help them engage parents at the school level.

Finally, we directly undertake activities to help parents of students in TCDSB schools support their children's learning-whether at home or at school. We work to:

- share effective practices to help engage parents in their children's learning, especially parents who may find engagement challenging;
- identify and reduce barriers to parent engagement;
- help ensure that TCDSB schools create a welcoming environment for parents of their students.
