Name	Allison Arenburg
Committee	Regular / Special Board
Date of Presentation	6/27/2016
Topic of Presentation	Bus Transportation Cancellation
Topic or Issue	Bus transportation has been cancelled to 2 Catholic schools from St. Theresa's Daycare Centre, causing an impact on the daycare center and the families that attend
Details	The cancellation of the bus transportation will have a profound impact on the daycare center. They rely on the buses taking the children to school as part of their business, and the parents rely on the buses to get their children to school. If buses do not provide the transportation, St. Theresa's will potentially lose business because parents will have to try to find alternative child care for their children before/after school. The other issue is that the parents need the daycare's before/after school care, any parents work and are unable to drop children off at school directly and be there to pick them up by a certain time. More will be discussed in my presentation.
Action Requested	It is requested that the bus transportation be reinstated immediately in order to prevent the negative effects it will cause to St. Theresa's Daycare Centre and the families that rely on them.
