Name	Jennifer Kulchyski
Committee	Regular / Special Board
Date of Presentation	6/27/2016
Topic of Presentation	Bussing
Topic or Issue	We are very concerned about the deep cuts to bussing in our neighbourhood. The cuts are not only a safety issue but will impact enrolment, something we are very dissapointed about given our recruitment efforts this year!
Details	These cuts would impact 130 students at Blessed Sacrement alone. We are ver concerned about the safety of students who will now have to cross major intersections to come to school. The cuts will also mean further chaos at school drop off and pick up in an already tight and small neighbourhood. There is simply not enough safe parking for those who will now need to drive and the danger to children is not acceptable.
Action Req ested	We are requesting that bussing be reconsidered in our neighbourhood and that it maintain an option for our students who require it.
