Date of Presentation	6/27/2016
Topic of Presentation	School Bus
Topic or Issue	School bus service.
Details	We received an email about a meeting by the Catholic District School Board to discuss about certain subject matters of which one is the cut of school bus program. I am a parent who is affected by this decision and would like to attend this meeting to discuss about why such decision is made by the school board.
Action Requested	It is completely unacceptable of such alteration as there is no way for my kids to walk 1.3 km each day from school, leave alone in the winter where a 10 minute exposure in the extreme cold could be very dangerous. My wife and I are not planning to quit our job/business just so we can pick up the kids. My in-laws are about 70 years old and have them walk such cold and expose to the cold for an hour could be extremely dangerous. It took me about 20 to 25 minutes walk and for a 4 year old and a 70 year old, it will take them more than double the time and again, it is very dangerous.
