

Chair's Report since April 23, 2015

Represented the Board with the Pilipino Community at the Board along with Trustees Crawford, Tanuan and Kennedy.

I along with Trustees, Andrachuk, Piccininni, Bottoni, D'Amico, Tanuan, Kennedy and Crawford and Student Trustee McGroarty attend the 85th OCSTA annual general meeting. As the Sponsoring Board we had the opportunity to give a welcome address and feature our talented students from Marshall McLuhan, Fr. Redmond, St. Michael Choir School and the shop stoppers from Our Lady of Sorrows School. We re-established a lot of positive goodwill with the delegates and OCSTA staff.

There were many people behind the scenes to make the event a success. Special thanks to Superintendent Grant and our very own Nancy Crawford.

Represented the Board at Awards night and with Reboot Canada at Epiphany of Our Lord School.

Dual role of Chair and Trustee for the 50th anniversary of St. Kevin School.

I have been fielding questions about a survey for a language school and got National Coverage on CTV breakfast show. Received many positives both on and off camera with Beverly Thomson.

Answer questions from parents who had complained of not being able to reach their Trustee or staff members. These were about ArrowSmith, registration at St. Cecilia's and from a parent at St. Thomas Aquinas concerned about International Languages.

Spoke to Councillor Campbell re St. Eugene School construction. This is Trustee Martino's school and he will be having a community meeting on issues from the new construction.

Meeting at the TDSB for a round table for property issues with Toronto School Boards and Ministry Rep.

Will represent the Board at the 3rd annual CSPC Mass.

Presentation in the Conference Room with Dr. Mukerjee, Chair of the TPSB for my work as a past member of the Police Board.
