Name	Derek Shemavonian	
Committee	Corporate Affairs Strategic Planning and Property	
Date of Presentation	1/21/2016	
Topic of Presentation	SARC for Holy Angels, OLS, St. Leo, St. Louis, St. Mark	
Topic or Issue	Staff report tabled December 8 ignores SARC recommendations in general, and OLS concerns specifically.	
Details	The staff report concurs that a boundary adjustment was required, but provides no explanation as to why the boundary between Holy Angels and OLS was changed from the SARC recommendation, leaving OLS excessively oversubscribed. In general, Section D of the report ignores OLS and its concerns. It also pre-empts any discussion of admissions policy changes, pointing to a decision made on October 22 to not revise the policy for 2 years.	
Action Requested	<ol style="list-style-type: none"> <li>1. Revise the boundary between Holy Angels and OLS to that shown in Scenario 9, or provide a written explanation as to why it was changed.</li> <li>2. Begin study of a special admissions policy for schools operating with a utilization of &gt; 130% of pupil count to OTG capacity.</li> <li>3. Include OLS in any future SARC involving schools to the north and west, even if this occurs within the next 5 years.</li> </ol>
