### **CSLIT Updates:**

#### **Equity**

This month, the Director of Equity attended the Student Trustee Elections at the April General Assembly. The Director of Equity helped to run the elections by remaining with the candidates until their speeches were said. In addition, she exercised her voting right in the elections.

#### **Elementary CSLIT**

The final ESLIT Meeting of the 2018-2019 school year was held on May 2, 2019. This online meeting allowed students to be able to join the ECSLIT Meeting from their own school community. It also allowed them to be able to participate through a different leadership platform! Students were encouraged to engage in the meeting through video and live chat.

Since many of the ECSLIT members are finishing their elementary school years and transitioning into high school, time was allotted to answer any questions they had about how to succeed academically, how to stay involved, and any other concerns that they had about high school.

The topic of Everyday Leadership was also focused on. The ECSLIT had an open discussion on what it truly meant to be a leader, and how to show these qualities

in our day to day lives. “Being a leader means also doing the small things like holding the door for someone or smiling at others,” an ECSLIT Student said.

With the symbolic theme of fishing in the Bible, the ECSLIT Year will conclude with a Fishing Retreat on June 6, 2019.

### Public Relations

This month, Public Relations has focused CSLIT's various social media platforms on attracting attention to the April General Assembly, where the student trustee elections were held. A majority of 23 out of 32 schools was recorded in attendance. Public Relations will be using the various social media accounts and the Catholic Student Leadership website to promote upcoming CSLIT events such as the CSLIT annual gala, and the upcoming May general assembly.

A promotional video has been created outlining the theme and date for the event. Preparations are underway for the gala's venue and entertainment. In addition, the subcommittee is actively planning CSLIT's annual barbeque, hosted at the CEC.
