CSLIT Updates:

Elementary CSLIT

The ECSLIT 2019-2020 Year will officially end on Thursday, June 6 with a full-day fishing retreat. Reflecting the teachings of the Bible, the activity of fishing together is a symbolism of the importance of Jesus and his works. By representing the beliefs of our faith, this retreat will close off the year with the understanding of community and teamwork through leadership.

The outgoing Directors of Elementary Affairs have prepared documents for the future incoming members of this position. These transition steps will ensure that necessary measures are taken for the next ECSLIT school year.

Public Relations

During this month, the Public Relations team has continued to connect through CSLIT's various social media platforms. Social media was used to raise awareness about the May General Assembly, the last one of the 2019-2020 academic year. At the assembly, students were introduced to the incoming student trustee, Kathy Nguyen, and she discussed her goals for the upcoming year. To end the year, the Public Relations team will be using various social media and the Catholic Student Leadership website to promote the annual CSLIT gala and the CSLIT BBQ - both events will take place in late June.

Angel Foundation For Learning

The Angel Council is looking forward to supporting the end of the year CSLIT Gala through organizing a raffle in which all proceeds will be donated to AFL.

Faith

This month the Faith Ambassador wrote the CSLIT General Assembly prayer about Compassion. The prayer also included Mother Mary and how she manifests her love and compassion for others. Moving forward, the Faith Ambassador has laid a transition plan with the hope of helping next year's Faith Ambassador to hold a Faith Camp.

Social Affairs

The Social Affairs Subcommittee is working diligently to prepare CSLIT's annual gala, an event aimed at celebrating the achievements of CSLIT from throughout the school year. CSLIT Gala will take place on Friday, June 21st, 2019 at The Warehouse Venue in Downsview Park. In addition, the subcommittee is actively planning CSLIT's annual barbeque.
