| Name                  | Carla Amodio  |
| Committee             | Corporate Services Strategic Planning and Property  |
| Date of Presentation  | 1/16/2020   |
| Topic of Presentation | Relocation of Loretto Abbey   |
| Topic or Issue        | I have heard that Loretto Abbey will need to be relocated to fix their boiler/heating system. If the Nelson Boylen site is being considered, I strongly oppose this out-of-area location.   |
| Details               | I would like to hear what other considerations were discussed (i.e. possibility of completing in stages over summer/other breaks to minimize disruption to students/staff). Possibility of portables as they complete sections of school? |
| Action Requested      | 1) Other options available to prevent relocation<br>2) if relocation is deemed unavoidable for 18 months then a location closer to the Abbey (not out of area) should be proposed   |
