 Three (3) Minutes

Name	Susan Halasz
Committee	Corporate Services Strategic Planning and Property
Date of Presentation	1/16/2020
Topic of Presentation	2020-2021 Relocation Plans
Topic or Issue	Proposed renovations and relocation re: Loretto Abbey
Details	I oppose the current reno plan due to lack of notice and unacceptability of the school selected for relocation. I strongly believe a better solution can be found to accommodate the renovations that are needed. The proposed location is not suitable or convenient for many families and will disrupt lives significantly. Given the late notice of this proposal, other educational accommodations are likely unavailable in schools which already have a high student population, e.g. Lawrence Park, North Toronto, Northern. Private school registration is already closed for next year - we are left with almost no options - the committee has imposed an unacceptable approach, most disrespectfully.
Action Requested	To vote against the full plan to move forward and focus only on the immediate need - the boiler. Any consideration for a move in the future should not take place until there is proper consultation with the families and community affected, so that people are given the time and are assisted with options to consider as alternatives for their children. Any future plans proposed must strive to find solutions that keep the students on site – e.g. using unused parts of the building (the convent), temporary port-o-packs, etc.
