Name	Monique Kasonga
Committee	Regular / Special Board
Date of Presentation	6/18/2020
Topic of Presentation	Anti-Black and Anti Indigenous Racism
Topic or Issue	The TCDSB has long ignored the issue to tackle anti-Black and anti-Indigenous racism at its core. Many issues continue to be faced by Black and Indigenous people in TCDSB schools and it is incumbent on them to take real action and measures to name, confront/address and work with communities affected to eradicate this type of racism.
Details	My delegation is connected with motion 7a in the agenda for the June 18th meeting.
Action Requested	I am calling on the school board to collect disaggregated race based data by 2021, so we can know and be able to confront the disparities that exist for students. Commit to diversifying their teaching force and teaching materials (literatures etc) to represent the diversity of their students and the Toronto population. Also to ensure equity-related competencies are included in the job description for all staff working in the TCDSB. Review all policies and practices through a race equity lens to ensure that they do not have an adverse impact on Black students.
