John DelGrande, TCDSB CPIC Chair /All CPIC members

Dear John and all CPIC members:

I am writing this letter to you regarding the appointment of the CPIC Community Representative for the 2020/21 school year. On behalf of the OAPCE Toronto Executive, I would like to show our support for the appointment of Alison Canning from Let's Get Together.

I have known Alison personally for some time, and her commitment to her community is outstanding, quite simply stated on her website "empowering families, strengthening communities" - she has gone above and beyond, in a volunteer role to contribute to many families and parents, most recently as well through her "Tech Drives".

Alison is a current parent in the TCDSB and has a vested interest in what is going on in our Catholic Education system, we have worked with her in many ways including at our conferences and vendor malls that we offer in them. Not only is she quite connected, but her humble and positive attitude is always prevalent in all that she does.

Please consider Alison as a Community Representative on CPIC.

With thanks,
