Appendix A: External Research Application, Requests to Conduct Research in the
Toronto Catholic District School Board

Purpose:

The purpose of this Policy is to ensure that all **external** research conducted within
the Board is guided by professional standards of research.

Scope and Responsibility:

This Policy extends to all external institutions, organizations or individuals seeking
to conduct research in the Toronto Catholic District School Board (TCDSB) for
educational purposes. The Director of Education is responsible for this Policy.

Alignment with MYSP:

Strengthening Public Confidence

Fostering Student Achievement and Well-Being

Financial Impact:

Generally, there is no significant financial impact on the TCDSB. Any expenditure related to approved research projects will be incurred by the external researchers.

Legal Impact:

Generally, there is no significant liability with selectively permitting external research at TCDSB. All requests for research by external institutions, organizations or individuals are subject to a rigorous application and review process. Researchers are responsible for compliance with all applicable legal and other requirements.

Policy:

The Toronto Catholic District School Board will cooperate with organizations and individuals in the pursuit of external research deemed to be of benefit to the students, staff, and community subject to the research review process.

Regulations:

1. All research conducted shall be aligned with the Toronto Catholic District School Board's Multi-Year Strategic Plan (MYSP) and the Board Learning and Improvement Plan (BLIP).
2. All external research requests shall be made in writing to the Director of Education, providing details of the proposal as outlined in the TCDSB External Research Application.

3. The Research Review Committee will assess all external requests to conduct research at TCDSB and make recommendations to the Director.
4. Insofar as external research projects are approved by the Board, the principal is not obliged to accept the project in his or her school. **Participation in research by staff, students, parents, or a school is voluntary and requires obtaining active informed written consent.**
5. All research projects shall be conducted in accordance with the procedures as outlined and approved in the research request **and all personal information shall be administered in accordance with the Municipal Freedom of Information and Protection of Privacy Act and its Regulations.**
6. Consistent with the Education Act, those researchers who will have direct contact with students are required to complete a Police Reference Check (**Vulnerable Sector Screening**) that is satisfactory to the Board prior to commencing research. **The check must be executed within the preceding six months of the start of the research project and any related costs will be the sole responsibility of the research applicant.**
7. **All research approved should be consistent with the Tri-Council Policy Statement: Ethical Conduct for Research Involving Humans (2018) and align with Board priorities. Approval of a research project by the Board does not mean the Board endorses the study. It means that the research methods for the study have been approved and external research applicants can proceed with recruiting research participants.**
7. **8.** All research shall be conducted in a manner which ensures confidentiality and anonymity of individuals and schools. The Toronto Catholic District

School Board, as an entity, must be assured of confidentiality and anonymity unless otherwise approved.

8. **9.** Researchers will provide parents/guardians with information about an approved research project prior to the research being conducted according to approved informed consent procedures. Participation in an individual research project is voluntary.

9. **10.** The approval of any request is given with the understanding that a copy of the findings **including interim and final reports and** of published results of the research **would** be provided to the Toronto Catholic District School Board.

Definitions:

Anonymity

All information gathered does not contain identifying information.

Confidentiality

As per professional research standards of practice, it is the responsibility of the researcher(s) to ensure that all information gathered is secured and remains undisclosed.

Informed Consent

Prospective participants are informed about the details of the research and voluntarily express agreement to become a participant in the project.

Research Review Committee

The TCDSB Research Review Committee is comprised of TCDSB staff that review and consult on external research applications that are consistent with standard

research practices, board priorities and with consideration for demands on the system.

Evaluation and Metrics:

The effectiveness of the policy will be determined by measuring the following:

An annual report on approved external research projects shall be presented for the information of the Board. This will include a summary of findings from completed projects.
