RE: International Language Program

Dear Mr. Bria,

On Monday March 22, 2021, the St. Francis Xavier Catholic School Parent Council voted in favour of requesting a review of the International Language (Elementary) Program. In attendance at the meeting were Trustee DiGiorgio and Principal Greco.

This letter is to formally request, on behalf of the St. Francis Xavier CSPC, that a survey of the School Community be conducted about the continuation of the International Language Program starting September 2021.

Sincerely yours,

Patricia Cunningham and Tamara Rodriguez
