"Please note that **The Ministry of Education**, in consultation with the **Chief Medical Officer of Health for Ontario**, approves the final school boards return to school plans and **not** Toronto Public Health (TPH). All publicly funded **school boards have developed their own plans** based on the Guidelines provided by the Ministry of Education."

"This year (2020/2021) from a staffing perspective, **we didn't shrink staffing** to match that decreasing enrollment, **we kept staffing at the same level** as we had planned for at the beginning of the year in order to manage the situation with COVID" TCDSB.org
