TO OUR STAKEHOLDERS

A parent involvement committee of a board shall achieve its purpose by,

- (a) providing information and advice on parent engagement to the board;
- (b) communicating with and supporting school councils of schools of the board; and
- (c) undertaking activities to help parents of pupils of the board support their children's learning at home and at school. O. Reg. 612/00, s. 27 (2).

Strategic Highlights

Toronto Catholic Parent Involvement Committee (CPIC) continued to build awareness around CPIC's role. We continued to work on improving communications with Catholic School Parent Councils (CSPCs), Trustees and Staff, to create an information conduit, so that information can flow in both directions. In improving communication, we can continue supporting our CSPCs and parents by advocating through making recommendations. We also engaged in Policy consultations and TCDSB Staff presentations, listening and allowing members to give their perspective from a parent's point of view on all board matters.

Financial Highlights

With the move to virtual meetings via zoom for the 2020/2021 school year operational expenses were minimal. Our largest expenditure was for promotional items purchased as part of a planned parent conference from the previous year. Instead as Covid-19 continued to restrict face to face events CPIC had to cancel speakers and take back deposits.

Operating Highlights

With changes to our election process, our first CPIC Election was held where CSPC Chairs voted for their CPIC Representative. This was a great opportunity to enhance the relationship between CSPCs and CPIC. We will continue to use the CPIC Elections as an opportunity to increase engagement with the CSPCs as they have a role in the selection of their CPIC Representative for their ward.

The 2020/2021 school year saw all CPIC meetings move to a virtual format via zoom. We livestreamed all CPIC meetings on YouTube for the public to view. The hope was by watching parents at the CPIC table, we would create confidence in our stakeholders by showing that parents have a voice to advocate for the needs of parent engagement and student achievement and hopefully inspired additional parents to join CSPCs and CPIC.

This year also included the support of the Board Recording Secretary. Having CPIC agendas and minutes compiled and distributed through E-Scribe continues to bring CPIC closer to the same standards followed as all meetings of the Board.

Going Forward

CPIC will continue to grow its parent resources. We will continue to work with OAPCE Toronto in joint ventures. We will look forward to hosting a face-to-face parent conference with speakers and workshops if the opportunity presents itself. We will continue to support CSPCs and parents to find their voice in parent engagement.

In the end our goal is to increase parent engagement and make every parent contribution count. Reflecting on the parable The Feeding of the Five thousand, *"Here is a boy with five small barley loaves and two small fish, but how far will they go among so many?"* John 6:9, many of us focus on the great miracle that Jesus preformed however if not for the small contribution of this person how would Jesus have fed the masses. We need to make our parents aware that small contributions are welcomed and needed, if we do, we may have many larger impacts in our school communities.

Thank you,

Joe Fiorante Toronto CPIC Chair

RECOMMENDATIONS

A board may solicit and take into consideration the advice of its parent involvement committee with regard to matters that relate to improving student achievement and well-being. O. Reg. 612/00, s. 47 (1)

At CPIC meetings issues of concern from parents as it relates to CSPCs and parent engagement at our schools and from the Board overall are discussed. Periodically, in support of our mandate, official recommendations in the form of motions are made to the appropriate level.

RECOMMENDATIONS MADE TO THE DIRECTOR OF EDUCATON

The use of electronic communication has increased substantially during the Covid-19 pandemic school year, and we want all CSPC to have to have the equal opportunity to communicate to their communities.

CPIC recommend to Staff and then the Board of Trustees that: TCDSB CSPC's be given appropriate access to School Messenger so that they can create communications to go out to the School Community in the similar respect that CSPC's have access to School Cash Online. The process should (like School Cash Online) allow the CPSC to create the communication and then be reviewed by the administration before it is sent out.

Received staff report and moving forward with process
