

## **Consideration of Motion:**

To: SEAC

June 8, 2022

From: Tyler Munro

Subject: **Update the Identification Placement & Review Committee (IPRC) process so parents are informed with accurate potential outcome information.**

Moved by: Tyler Munro, SEAC representative for Inclusion Action Ontario

Whereas: Ontario Regulation 181/98 explains the IPRC process and requires the Board to inform parents of a placement decision and either receive their consent or wait until the appeal period has expired;

Whereas: Often in IPRC meetings staff will not clearly explain outcomes to parents when recommending an Identification and/or Placement to parents;

Whereas: In IPRC meetings staff will often rely on anecdotal or personal experience statements and do not site research to support those statements when requesting and obtaining parental consent. Parents often feel they were not adequately informed at the time they gave consent;

Whereas: It is always best practice to ensure staff obtain “informed consent” from parents when going through the IPRC process; and

Whereas: Staff should not be providing opinions to parents that are not research based.

Be it resolved that: SEAC recommend that with every IPRC meeting parents be presented with the percent of students in each rubric measured with Education Quality and Accountability Office (EQAO) for each grade (including did not write) and overall graduation results for past year for all students with that identification and placement,

that identification and all placements, and all students at the board; **(Refer Draft sample report as attachment)**

Be it resolved that: SEAC recommend that if the number of students would be so small as to risk privacy issues expand the time frame from the previous year to the past 3 or 5 years and note the timeframe accordingly;

Be it resolved that: SEAC recommend that if the EQAO tests were not written in a specific year exclude that year from the calculation. For 1-year calculations use the most recent valid year; and

Be it resolved that: SEAC recommend that this information be included in the “Parents Guide to Special Education” and in the special education plan sections for IPRCs and Placements offered by the board along with the Accountability Framework for Special Services document.
