Date of Presentation	5/21/2015
Topic of Presentation	Sept 2015 Registration for JK in Our Lady of Sorrows School
Topic or Issue	Kids being turned down by their local community school for JK 2015 September school year at Our Lady of Sorrows School.
Details	<p>Whears: There are kids that live in the catchment area that have been turned away from their local community school.</p> <p>Whears: Kids who live walking distance from the school should not be redirected and incur more cost to the system via busing.</p> <p>Whears: The busing has not being really provided.</p> <p>Whears: There is space for kids in the school to accommodate some if not most of the kids that have been turned away.</p> <p>Whears: Parents of kids already being in the school do not mind portables. br>Whears: It is cheaper to keep the portables due to the simple fact that those that are turned away are going to TDSB.</p>
Action Requested	<p>We are requesting to open up additional class or half class in light of the fact that there is possibility to do so and the kids who live in the catchment area should not be turned away. The School has tried some measures to elevate the current issue and is doing additional steps to remediate the problem, however the current kids are affected and they will simple not stop growing or pause their lives for the fix to settle at some point in the future. We appreciate looking into this matter and rectify it via mutual agreement.</p> <p>Yours Truthfully, The Group.</p>
