## COMMUNICATION

Submitted By: Trustee Angela Kennedy  
Trustee Garry Tanuan

Submitted To: Regular Board – August 27, 2015

---

Dear Mike,

Trustee Tanuan and I would like to request that a discussion take place amongst the Board of trustees to determine the new model for trustee support.

Since August 31, 2015 is the end of the Constituency Assistant contracts; and we would like to have continuity of services for our constituents we would like to address this as soon as possible.

We understand that there is \$144,000.00 in the budget allocated for trustee support. We expect to have a substantive say in the decision around the new model.

We believe in a shared model of Constituency Assistant services that provide optimum efficiency and effective use of taxpayer dollars.

Therefore, we hope that this letter will serve to initiate a discussion amongst the board of trustees and a decision on a new model for Constituency Assistants.

It is our hope that the trustees will collaborate and make a decision on a new model this evening; but if the decision cannot be made tonight then we request an extension of the current model for six months.

Sincerely

Angela Kennedy
