Dear Board of Trustees,

I am currently on the Governance and Policy Committee and the Trustee Representative on the Catholic Parent Involvement Committee. I am currently managing Trustee duties, work duties but most importantly mom duties and have been having difficulty adding any additional meetings to my monthly calendar.

I am therefore kindly asking the Board of Trustees to accept my resignation from the By Law Committee effective immediately and to elect a new Trustee to sit on the committee. Trustee Kennedy has been attending By Law meetings and has expressed and interest in becoming a member. The decision ultimately rests upon the Board but she has shown commitment by attending and participating in the meetings as a non-voting member.
