Name	Laura Timmons
Committee	Student Achievement and Well-Being Catholic Education Human Resources
Date of Presentation	6/4/2015
Topic of Presentation	ST.Conrad report this evening
Topic or Issue	Request clarification, explanation and where is the rest of the report that was to be brought forth from 2 FI consultation meetings that took place at our school in April and May. Where is the deficit at? Capital and Structural?
Details	This report should be in corporate affairs and this report indicates just a few of the effects on programming and implications to the current students future and future of catchment area students at St.Conrad. Would like clarification on items in this report.
Action Requested	Rescind this report and FI at St.Conrad. Remove the wording "will roll" which implicates this Board has no process of transparency and that this current process that took place is meaningless.

I am here as a delegation to speak only on my own behalf	
I am an official representative of the Catholic School Advisory Committee (CSAC)	
I am an official representative of student government
