individual is unable to be vaccinated, due to a protected ground, as defined by the Code, the Board has a duty to accommodate to a point of undue hardship.

However, this duty to accommodate must be balanced against the Board's obligations to protect the health and safety of staff and students. Due to the serious health threat COVID-19 presents to the public, if an individual will not be vaccinated because of a protected ground under the Code, they must request an accommodation or exemption, which falls under one of the following two categories: (i) Medical Condition; or (ii) Religious/Creed.

i. *Medical Condition Exemption*

An individual who is requesting an exemption from this Policy on the basis of a medical condition must provide the Board with a letter from a physician or nurse practitioner, clearly stating the reason why the individual should be exempted from receiving the vaccine. This letter must be provided to the Board by a date specified by the Ministry.

ii. *Religious/Creed Exemption*

An individual may apply for an exemption, due to religious belief or creed. The Board reserves the right to ask for materials in support of the individual's religious belief or creed, including a letter of support from a religious leader or community.

### *3.2 Accommodation Process*

The accommodation process is a shared responsibility. All parties should cooperatively engage in the process, share information and consider potential accommodation solutions. Employees who are requesting an accommodation are required to:

- a. Make the accommodation needs known to the best of their ability, preferably in writing, in a timely manner;
- b. Answer reasonable questions or provide information about relevant restrictions or limitations, including information from health care professionals;
- c. Take part in discussions about possible accommodations solutions;
- d. Co-operate with any experts whose assistance is required to manage the accommodation process;
- e. Meet agreed-upon performance standards and requirements, once accommodation is provided; and
- f. Work with Board and/or school administration on an ongoing basis to manage the accommodation process

Depending on workplace circumstances and learning and teaching considerations, possible accommodations may include but not limited to masking, physical distancing, regular testing, remote learning arrangements, work-from-home arrangements, job-protected leave of absence and/or restricted duties and responsibilities.
