A. EXECUTIVE SUMMARY

1. The School Board Efficiencies and Modernization (SBEM) initiative from the Ministry of Education includes available funding to support School Consolidation Capital (SCC) projects through the Capital Priorities process. It is anticipated that the Board will receive notification this Fall that business case submissions will be accepted for SCC projects with a tentative deadline for submission of January 2016. The Ministry has not yet released a specific date.
2. Among the criteria for project submission is a Board approved School Accommodation Review (SAR) recommendation. This report demonstrates the necessary reporting timelines (as required in *School Accommodation Review Policy S.09*) required to meet the Ministry business case submission deadline.

B. PURPOSE

3. To provide a reporting timeline for the consideration of Trustees that satisfies the requirements of School Accommodation Review Policy (S.09) and the Ministry of Education deadline for submission of business cases.

C. BACKGROUND

4. In order to meet the Ministry of Education deadline for SCC business case submissions, a special meeting of the Corporate Affairs, Strategic Planning and Property Committee will need to be convened on December 14, 15 or 16, 2015.
5. The reporting timeline, proposed in Appendix 'A' will satisfy both the requirements of *School Accommodation Review Policy (S.09)* and the Ministry's business case submission deadline.

D. STAFF RECOMMENDATION

That a special meeting of the Corporate Affairs, Strategic Planning and Property Committee be convened on December 14, 15 or 16, 2015.
