## A. EXECUTIVE SUMMARY

On December 1, 2016 the Ministry of Education issued *Memorandum 2016:B19: Request for School Consolidation Capital Funding Submissions*.

Funding will be allocated on a business case basis for new schools, retrofits, and additions that support consolidations. Proposed projects must be completed by the 2020-21 school year. Boards must submit business cases by **January 27, 2017**. Projects involving Pupil Accommodation Reviews must have a final Trustee decision by **March 24, 2017** in order to qualify for inclusion.

There is also child care capital funding available to fund replacement of child care and child and family program rooms that would be lost due to a school consolidation.

Potential capital requests from the following TCDSB Pupil Accommodation Reviews could be considered:

- a) Holy Redeemer, Our Lady of Guadalupe, St. Matthias
- b) St. Paul, St. Michael, Our Lady of Lourdes
- c) Prince of Peace, St. Rene Goupil, The Divine Infant

A summary of the potential financial benefits of consolidation of all five reviews are as follows:

Academic Cost Avoidance (annual)	\$2,465,813
Facilities Cost Avoidance (annual)	\$2,655,974
Deferred Maintenance Cost Avoidance (one time)	\$33,684,112
Total	<b>\$38,805,899</b>
Proceeds of Disposition	<b>tbd</b>

There will be a further report to the Board of Trustees in January 2017 on the priority ranking of the projects to be submitted.

## **B. PURPOSE**

The purpose of this report is to provide an update of where each of the ongoing Pupil Accommodation Reviews (currently five reviews in process) are, and when a final decision of the Board could be made (*Appendix 'B'*). In addition, the Ministry has announced details of the next round of “School Consolidation Capital Funding” program. These details are outlined in the Ministry of Education Memorandum 2016 B: 19 attached to this report as *Appendix 'A'*.

Lastly, as outlined in comment 8 below, these Reviews, once completed, could have a significant financial impact on both the operating and capital budgets of the Board. Should the Board’s request for Capital Funding be approved by the Ministry of Education some existing school facilities can be upgraded and /or replaced with new modern schools that would address existing obsolete school facilities.

## **C. BACKGROUND**

1. On December 1, 2016 the Ministry of Education issued *Memorandum 2016:B19: Request for School Consolidation Capital Funding Submissions* (See Appendix ‘A’). The 2017 School Consolidation Capital (SCC) program is supported through the \$750 million in funding that was announced in 2014-15 as part of the School Board Efficiencies and Modernization (SBEM) initiative. In addition, the Ministry has child care capital funding to fund replacement of child care and child and family rooms that would be lost due to school consolidation.
2. Funding for Capital Priorities: School Consolidation projects will be allocated on a business case basis for projects that need to be completed by the 2020-21 school year. Boards must submit business cases by **January 27, 2017**.
3. Highlights of the Memorandum are as follows:
  - a) School Consolidation Capital (SCC) submissions related to accommodation reviews must have a final trustee decision by **March 24, 2017** to be considered for funding.

- b) Business cases will be required for a school board's top eight projects.
    - c) Boards may also request funding for the construction of child care and child and family programs and community hubs as part of a school board's SCC submission.
  - d) The Ministry is aiming to make announcements regarding funding decisions in early Spring 2017. An announcement of the next round of Capital Priorities will follow shortly thereafter.
4. The Ministry of Education will consider funding projects that allow a school board to reduce their excess capacity. Eligible considerations are:
- a) Consolidating two or more schools into one new facility.
  - b) Building an addition/major renovation to an existing school to accommodate students from other schools that a school board has made the decision to close.
  - c) Right-sizing existing schools by renovating existing space for other uses including child care and child and family program rooms and community hubs.
5. **It is important to note that the Ministry expects that the business case will demonstrate why the proposed project is the best accommodation solution. This should include a rationale of why less costly alternatives are not being recommended by the board, including the use of existing school facilities that require little or no capital investments or joint use facilities between school boards. The focus will be on the cost effectiveness of the proposed solution.**
6. School boards and Consolidated Municipal Service Managers have an opportunity to include child care and child and family programs as part of their SCC request. The Ministry will consider funding capital projects in schools where there is a need to replace child care and child and family program rooms that would be lost due to a school consolidation or address demand in a new school build as part of a school consolidation. As part of the SCC submission, the Ministry requires a Joint Submission Form signed by the Board and City of Toronto Children's Services.

7. There are five ongoing TCDSB Pupil Accommodation Reviews as follows:

<b>Review</b>	<b>Staff recommendation</b>
Holy Redeemer, Our Lady of Guadalupe, St. Matthias	Potential Capital solution
St. Paul, St. Michael, Our Lady of Lourdes	Potential Capital solution
Prince of Peace, St. Rene Goupil, The Divine Infant	Potential Capital solution
Blessed Pier Giorgio Frassati, Sacred Heart, St. Bede, St. Gabriel Lalemant	Non-capital solution
Don Bosco	Non-capital solution

8. Utilizing the staff recommendations for each review the estimated cost avoidance and the potential Proceeds of Disposition are as follows:

<b>Review</b>	<b>Academic Cost Avoidance</b>	<b>Facilities Cost Avoidance</b>	<b>Deferred Maintenance Avoidance</b>	<b>Potential Proceeds of Disposition</b>
Holy Redeemer, Our Lady of Guadalupe, St. Matthias	\$565,723	\$386,913	\$4,836,310	tbd
St. Paul, St. Michael, Our Lady of Lourdes	\$572,819	\$523,308	\$8,771,113	tbd
Prince of Peace, St. Rene Goupil, The Divine Infant	\$567,316	\$502,263	\$5,571,938	tbd
Blessed Pier Giorgio Frassati, Sacred Heart, St. Bede, St.	\$289,561	\$277,818	\$2,054,821	tbd

Gabriel Lalemant				
Don Bosco	\$470,394	\$965,672	\$12,449,930	tbd
Totals	<b>\$2,465,813</b>	<b>\$2,655,974</b>	<b>\$33,684,112</b>	<b>tbd**</b>

**\*\*Potential Proceeds of Disposition would be generated from the disposition of any surplus properties approved by the Board of Trustees and offered for sale at Fair Market Value as outlined under Ontario Regulation 444/98.**

9. A summary of the status, meeting dates, and expected Board approvals are attached as Appendix 'B'. As projects related to accommodation reviews must have a final Board decision by March 24, 2017 to qualify, potential projects from the following two PARs will qualify for inclusion in the January 27, 2017 submission:
  - a) Holy Redeemer, Our Lady of Guadalupe, St. Matthias
  - b) St. Paul, St. Michael, Our Lady of Lourdes
10. There will be an additional opportunity to apply for Capital Funding under Capital Priorities funding later in 2017. However, it is anticipated that many more requests for capital funding will be made by all school boards under the following categories:
  - a) School Consolidation
  - b) Accommodation Pressure
  - c) Facility Condition
11. There will be a further report to the Board of Trustees in January 2017 on the priority ranking of the projects to be submitted.

## D. CONCLUDING STATEMENT

This report is for the consideration of the Board.
