3. School Sites - Operating Budget Surplus:

- a. Section 9(1) paragraph 8 of O. Reg 20/98 (Education Development Charges - General) provides that an education development background charge study must contain:

A statement from the board stating that it has reviewed its operating budget for savings that could be applied to reduce growth-related net education land costs, and the amount of any savings which it proposes to apply, if any.

It is therefore necessary that the review referred to in section 9(1) paragraph 8 be conducted annually as part of the process of setting the estimates.

Under the **Grants for Student Needs**, only a surplus from the non-classroom part of the estimates is eligible to be used to acquire school sites, thereby reducing the "growth related net education land cost" and the education development charge that may be levied by the TCDSB.

- b. Where there has been or it appears that there will be surplus in the non-classroom part of the estimates of the TCDSB in a fiscal year, the Board shall determine whether all, part, or none of the surplus will be designated as available for the purpose of acquiring school sites by purchase, lease or otherwise.
- c. If there is, or it appears that there will be a surplus in the operating budget, the Board shall pass a motion substantially as follows:

Whereas it appears that there has been or that there will be a surplus in the non-classroom part of the budget;

d. Moved that:

(i) The Board may designate an amount as available for the purpose of acquiring school sites by purchase, lease or otherwise;

(ii) The Board's reasons for so deciding are as follows:

[The Board may choose to direct some funds to the purchase of school sites or may decline to do so. Reasons for the decision should be included which indicate where the board will be directing the funds and its basic reasons for doing so. The purpose for this part of the motion is to ensure that a clear record of the board's decision and its reasons are available as part of the public record for inclusion in the education development charge background study. This is particularly necessary as evidence for the Ontario Municipal Board in the event of an appeal of the by-law.]

c. If there is no surplus, or it appears that there will not be a surplus in the operating budget, no further action is required with respect to this Policy."
