record of proceedings. Moved: D. Hastings – W6 Carried 4 Report from the Chair Co-Chair presided over the Meeting. G. Feldman reported: A meeting was held with the Director of Education and we are now on a coordinated Parent Engagement path for the future. Would like to thank Trustee Rizzo for being vocal, and Superintendent Shain for coordinating. It is suggested that an assigned member from CPIC attend OAPCE-Toronto meetings. G. Feldman and K. Lewis volunteered to attend OAPCE-Toronto Meetings R. Oliveros, N. Ang and K. Lue Tam will attend parent engagement CSAC In-Service events. Chair presided over the Meeting. Trustee M. Rizzo reported. Very excited to be here. Particularly concerned about parent engagement and ho parents can do a better job with their kids' education, so that they will succeed. Really delighted that is the job of this committee. Anything that I can do, I would happy to support you in doing. It's important that when you have a decision, although it's recorded, and goes to the Board in the form of minutes, it would be nice to see a Committee member face; someone who comes and speaks on CPIC's behalf. CPIC is missing in action. Example: CSAC policy. Three or four times per year at least CPIC needs to show their face. Representatives	C. Bristol-Matte (W5) - St. Edwards - swim meet looking for parent reps to assist with registration, et cetera. March 7 and 8, just before March break. D. Hastings (W6) - Trustee D'Amico is working on having a community CPIC meeting every month.		
11 New Business and Motions Arising Therefrom	11.1 Discussion on CSC Policy S. 10 Trustee Rizzo provided the history and an update on this Policy: Late last year the Trustees deferred the passing of this Policy until February 19, 2015 to allow for more parent consultation and discussion. The Policy was brought to the TCDSB Governance Committee last year after a disappointing public survey was completed with responses from only 24 of the 201 CSAC's - something was wrong with communicating to parents about the importance of this Policy. The Governance Committee decided to arrange a parent focus group. About 75 people attended in March 2014. This was the first time that a Trustee Committee had tried to actually consult with parents at the CEC and it was relatively successful. However, Staff did not revamp the policy based on the parent feedback. Trustee Tanuan and myself vehemently opposed the move to accept the Policy as		
	presented, without parent requested changes and the Members of the Board finally agreed to another round of consultation. The floor was open for Toronto CPIC members to discuss the Policy and it was decided to have a teleconference meeting to discuss this matter further. On November 17, 2014 Motion 14/11-08 was carried and it stated that Toronto CPIC prepare a formal report to the Director of Education and the Members of the Board on CPIC's recommendations to the proposed changes to the TCDSB CSC Policy S10. We can amend this Motion is to prepare an Open Joint CPIC-OAPCE Letter. At our next meeting we will discuss another Motion which will be to form the recommendations and the Delegation.
