February has been a month dealing with political issues generated by Mayor John Tory's letter and the media reporting of St. Joseph Morrow Park School.

I met very briefly with the Premier at the St. Dorothy School to give focus to Black History Month.

There was a wonderful school opening of St. Andre School which was the amalgamation of two schools. This event was also attended by Trustee Piccinnini.

I attended the grade 6 rally at Senator O'Connor School involving the Meagan's walk campaign. I also dropped in on the Education Council which was held at O'Connor House. Staff were working through the re-organizational proposals.

We had a breakfast social on Saturday Feb 7<sup>th</sup> with Trustees Rizzo, Kennedy, Crawford and Tanuan.

On the 9<sup>th</sup> I covered the CPIC meeting so as to allow the meeting to proceed.

I did three TV interviews with Global (2) and CFTO on the SJMP facility.

I received a phone call and e-mail from the Star and could only provide a written commentary on SJMP. The Star then chose to indicated that I could not be reached which was improper given that I responded to the questions raised about what the local Councillor had indicated. Trustee Rizzo commented on her behalf to them.
