

## **April Student Trustee Report**

### **General Assembly:**

The General Assembly on March 28th was filled with positive discussion on various topics such as mental health, catholic leadership within schools and the treatment of minority groups within schools. This discussion was useful to CSLIT, as it provided the executive team with areas of focus for the upcoming year. The General Assembly also served as “Meet The Student Trustee Candidates Night” where numerous hopeful candidates interacted with the General Assembly and discussed how they would best represent student voice at the board room table. Overall, the night was very resourceful.

### **Tastes of Heaven Gala:**

On April 6th, a few of the CSLIT executive members attended the Tastes of Heaven Gala for the Catholic Missions in Canada as representatives of the TCDSB. In good faith, the students volunteered their time to assist in set up and clean up.
