Dear Mr. DelGrande,

Please find enclosed a petition from the parents of the St. Agnes Catholic School community opposing the proposed changes to the Catholic School Councils Policy #S-10. We believe there are elements of this proposed policy that will have a negative impact on our school.

The policy changes of concern are:

- **Clause 17- All monies raised by CSAC will be retained by the school principal in the school bank account.**
- **Clause 18-Funds raised and collected by CSAC will no longer be held in a separate account but shall be merged with the school accounts.**

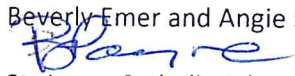

We as a community are gravely concerned and oppose these specific changes in the new policy. We believe that CSAC should continue to have joint responsibility with the school principal on how these funds are spent and we should be able to continue to maintain a separate bank account.

We are asking you to act on our behalf of our school and all other schools in Ward 7 and ensure these two specific clauses in the new policy changes are not approved.

We will continue to voice our opposition and work with other schools to ensure that the hard earned funds we raise to improve the educational experience of our children is invested with our input and not solely the input of the school board.

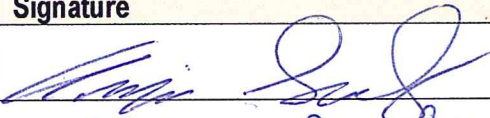

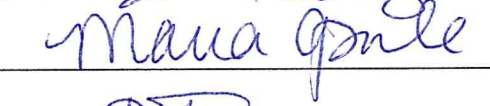

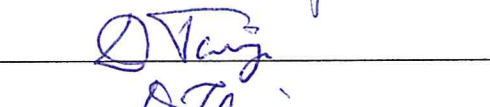

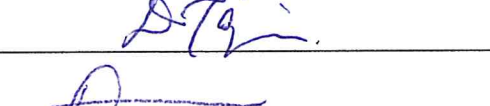

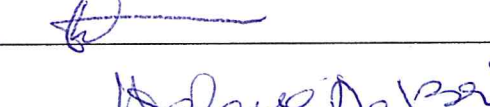

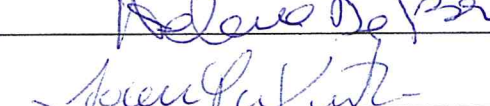

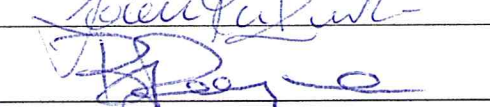

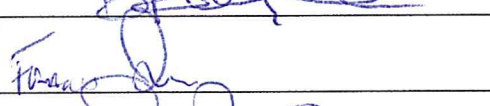

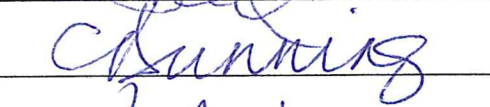

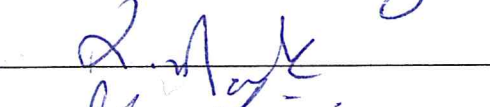

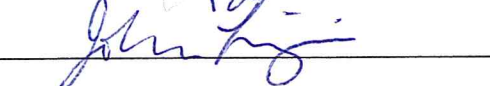

Thank you,

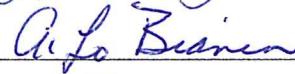

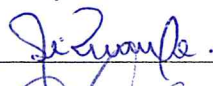

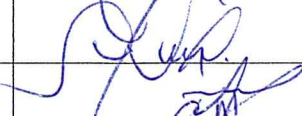

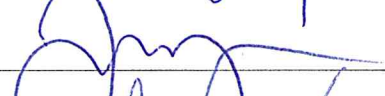

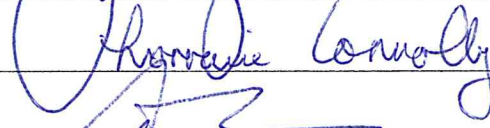

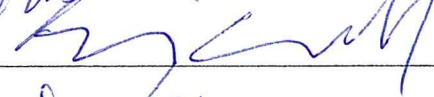

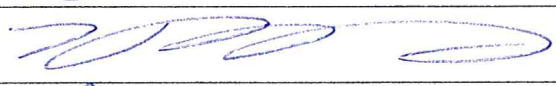

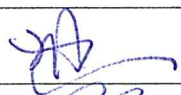

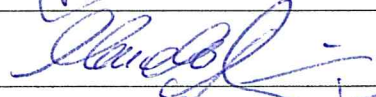

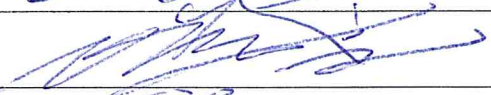

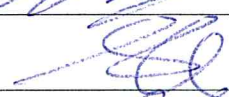

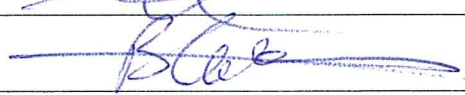

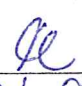

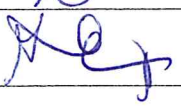

Beverly Emer and Angie Sanchez

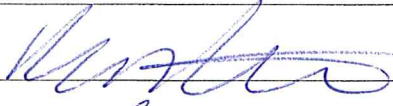

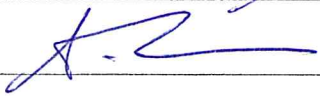

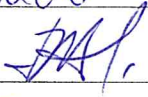

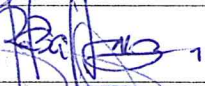

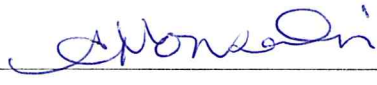

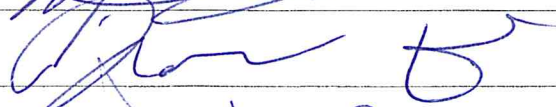

St. Agnes Catholic School, CSAC Co-Chairs

Petition to Amend Toronto Catholic School Board (TCDSB) Proposed Catholic School Councils Policy (Policy S.10)

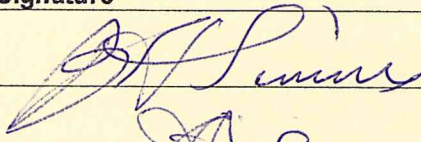

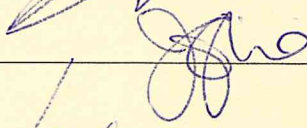

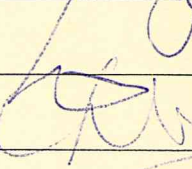

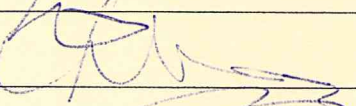

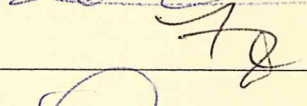

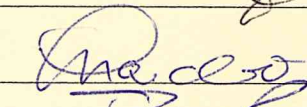

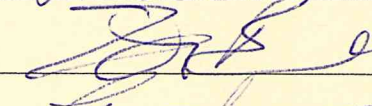

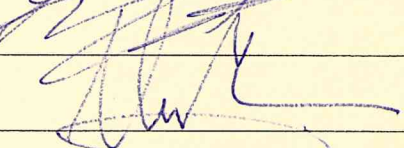

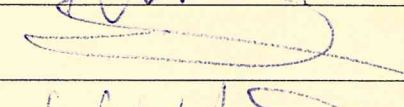

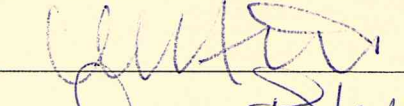

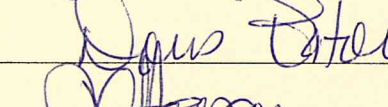

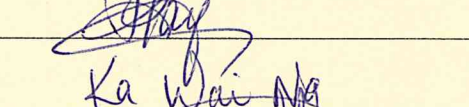

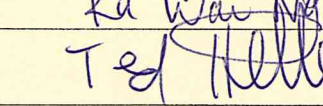

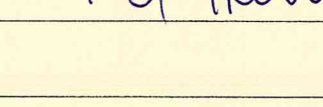

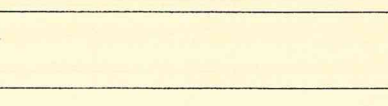

Petition summary and background:	<p>The Toronto Catholic District School Board has proposed a new Catholic School Councils Policy (Policy S.10).</p> <p>This policy, and the TCDSB's accompanying <u>Catholic School Council Operational Procedures Protocol</u>, will change the decision making and management authority over all monies raised by the Catholic School Councils (CSACs) starting in September 2015.</p> <p>Under the proposed policy, all monies raised by CSACs will no longer be held in a separate bank account requiring joint signatures on all cheques (one CSAC parent representative, usually the CSAC Treasurer and the CSAC President, AND one staff representative from the school, namely the Principal or designate). Instead, all monies raised by CSACs will be retained by the school principal in the school bank account; authority over this account will rest with the Principal and/or the TCDSB.</p>
Action petitioned for:	<p>We, the undersigned, are concerned TCDSB (St. Agnes Catholic School) Parents, who do NOT support the proposed TCDSB Catholic School Councils – Policy S.10.</p> <p>We urge the TCDSB and our leaders to act now to amend the proposed TCDSB Policy S.10 so that CSACs maintain their current decision making authority on how monies raised by CSACs are used, and that the current joint responsibility over the disbursement of CSAC raised monies is also maintained.</p>
