Policy:

It is the policy of the Toronto Catholic District School Board that elected officials and employees may only accept and retain gifts **that are contributions to student achievement.** ~~of low intrinsic value or business hospitality of less than \$100.00 per person.~~ If in the circumstances that hospitality or a gift of considerable value is received, notification **as set out in the regulations** ~~according to regulation 5~~ is required.

The Board acknowledges that the offering of gifts or hospitality of limited value from suppliers, partners or other business contacts is a common business practice which may be appropriate under certain circumstances. **However, the TCDSB will not accept any gifts which do not contribute to student achievement and will only accept hospitality in accordance with the regulations in this policy.**

Elected officials and employees may accept a gift **which contributes to student achievement** provided it does not create a sense of obligation, expectation or indebtedness or a real, or the appearance of, a conflict of interest that may be seen to be likely to affect the objectivity of those officials and employees in the performance of their duties.

Philanthropic gifts made by individuals, corporations, foundations or legal entities to assist the Board in the pursuit of its mission may be accepted at the discretion of the Director of Education or Board of Trustees.
