It provides an overview of the International Languages current models including a statistical and financial overview.

## **B. PURPOSE**

This report complies with the Action After request made on October 6, 2017 that an Annual Information Report on the International Languages Program be added to the rolling calendar.

Staff was to report on the general statistics on enrolment and cost considerations.

## **C. BACKGROUND**

1. The TCDSB has been offering the Extended Day and After Hours International Languages Program since 1977. It responds to the unique needs of students in Toronto who speak or wish to learn languages other than English or French. The International Languages program enriches a child's education through International Language instruction, cultural awareness and a celebration of traditions.
2. The Extended Day and After Hours Program is governed by the International Language Program (Elementary) S.P.05 policy.
3. The International Languages Extended Day program is an integrated model whereby students receive instruction during the regular school day. This program extends the day by 30 minutes and the languages offered are Italian, Portuguese, Spanish, Ukrainian, Pilipino and Mandarin. Students from JK to Grade 8 received 30 minutes of instruction per day.

4. Statistical Information 2016/2017:

<b>Language</b>	<b>Number of Schools</b>	<b>Total Number of Students</b>
<b>Italian</b>	23	9775
<b>Portuguese</b>	7	2056

There are a total of 44 schools with an enrolment of approximately 18268 students. In the Extended Day Program there were 88.2 full time equivalent (FTE) instructors.

### **After Hours Program**

The International Languages After Hours Program is offered outside of the regular school day with the majority of classes offered on Saturdays in either the morning or afternoon. Classes are also offered on Sundays and at one site on Tuesday evenings. Classes are 2 ½ hours in length and commence the third week-end in September and finish the second week-end in June.

In 2016/2017 there was a total of 33 programs with 27 offered at school sites and 6 at parishes with an approximate total enrolment of 5,162. Instruction was offered in 21 languages provided by 252 instructors.

The highest enrolment languages were Chinese/Mandarin (1,195), Polish (588), Vietnamese (604), and Chinese/Cantonese (524).

## **D. EVIDENCE/RESEARCH/ANALYSIS**

There are many documented benefits to learning a third language. The International Languages program reflects the diversity of the TCDSB community and it has always had strong support from these multi-cultural communities. Instruction ties in directly with Board initiatives on

Comprehensive Literacy and each language has produced a variety of learning resources.

There is a high level of parent engagement, especially in the After Hours program. Due to the common heritage of children in these programs there is often a strong tie to both the parish and to the cultural social group.

### **PROGRAM RESOURCES**

Instructors were provided with various opportunities for professional development delivered by the International Language Resource Instructor and the Literacy Resource Teachers. The goal is to align International Language instruction strategies with the literacy strategies used in the literacy and French language program and, most recently with the Common European Framework. Instructors were provided with a variety of resource materials such as language workbooks/textbooks, dual language books, lesson templates and a share point site where best practices are posted. In addition to this, to allow for the implementation of 21<sup>st</sup> Century Learning strategies all schools received one laptop and projector for the dedicated use of the International Languages instructors. Resource material and supports are received through community partnerships such as Centro Scuola, Instituto Camoes, Chinese Culture and Education Society of Canada and the Croatian Consulate sponsored by the Croatian Ministry of External Affairs. Centro Scuola and the Portuguese Ministry of Education are the only two partnerships that provides a direct financial contribution to the International Languages program and the amount fluctuates from year to year.

### **PROGRAM PROMOTION**

The International Languages program is promoted by:

- a) Extended Day Schools provide information on their school portal site.
- b) Extended Day and After Hours School locations, program descriptions, and registration information is posted on the International Languages portal site.
- c) International Languages After Hours locations and registration information pamphlets are provided for all Welcome to Kindergarten resource bags.
- d) On-line registration located on the International Languages website.

- e) With the assistance of the Communications Department posters and After Hours registration information is promoted through TCDSB news release, E News, Tweets and on the website.
- f) After Hours posters and information/registration pamphlets are sent to all elementary schools, parishes and community partnership sites in May and September.
- g) On request the Coordinator of International Languages provides presentations at CSPC, trustee and other community meetings.
- h) After Hours instructors are linked to their communities and avail themselves of promoting the program through community radio programs and newspapers.
- i) Board International Languages representation took place at community events linked to the International Languages program held during the Black History and Heritage Month celebrations, European Language Day, school concerts, parish anniversaries, and Grade 8 graduation.
- j) International Languages students in the Extended Day program participated in the day school curriculum activities, choirs and school concerts. All After Hours school sites hosted a Christmas and Spring or Year-end Recital.

## **E. METRICS AND ACCOUNTABILITY**

Appendix A shows a detailed budget analysis of the Revenues and Expenditures in delivering the International Languages program in the Extended Day and After Hours delivery models. The budget analysis contained within Appendix A illustrates clearly the Extended Day Program delivery model forecasts a material loss of \$959,547 for fiscal 2017-18. Consequently, this creates an ongoing cost pressure for TCDSB of approximately \$943,886 in 2017-18 for the Extended Day program and \$15,661 for the After Hours Program.

## **F. CONCLUDING STATEMENT**

This report is for the consideration of the Board.
