

Model for Special Education

Provision of Special Education Programs and Services Within Toronto Catholic District School Board

Philosophy of Special Services

“Our commitment is to every student. This means ...[ensuring] that we develop strategies to help every student learn, no matter their personal circumstances.”

-Reach Every Student: Energizing Ontario Education, 2008

In partnership with families, the parish and the community, our Catholic education system is directed at developing the full spiritual, physical, academic, cognitive, social and emotional wellbeing of each student. Through their learning experiences, students develop a sense of self-worth and dignity as people of God and are able to make a useful contribution in a complex and changing society. Inherent in these beliefs is the recognition that all students, regardless of exceptionality, are entitled to education in the most enabling environment. The exceptional student is a unique child of God and has a right to be part of the mainstream of education, to the extent to which it is practical and beneficial.

In order to provide an education in the most enabling environment, TCDSB advocates the principle of inclusion as part of a continuum of services/programs which includes modification of the regular class program, withdrawal, intensive support programs, itinerant services and alternative curriculum where required.

“...The integrity of Catholic education does not and cannot rest solely on the shoulders of a few individuals or belong only to certain groups of people...”

“We are bound together by a common faith and in common service.”

-Fulfilling the Promise (Pp. 6-7)

“Only by helping every student reach his or her potential can we hope to close the achievement gap between groups of students.”

-Learning for All, 2013 (p.12)

Inclusion of students with special educational needs in our schools can be summed up in the following quote:

“We invite you to become active participants in the process of Catholic Education. We urge you to bring your energy, enthusiasm and generosity to the task of building a Catholic community within your school and to shaping the vision of Catholic education.”

-This Moment of Promise (P. 22)
