Re: Catholic School Parent Council (CSPC) Annual Reports

Dear Trustee Colleagues,

I would like to share with some exceptional work from one of my CSPCs as an example of best practice.

The CSPC at St. Agatha, one of the Ward 12 elementary schools, produces an annual report as required under their mandate. In speaking with the Parent Engagement section, I learned that there are a few more elementary school CSPCs that also complete the annual report template, but most do not. I find the annual report interesting and it gives me additional information about the nature and needs of the school community that I would not necessarily obtain from attending parent council meetings. I am very supportive of the St. Agatha parent council's efforts and I plan to encourage all of my parent councils to prepare their own annual reports.

Please find the report attached as Appendix A.

Sincerely,

A handwritten signature in cursive script that reads "Nancy Crawford".
