A. EXECUTIVE SUMMARY

This report outlines the locations and dates for Summer School 2018 programs offered within the Toronto Catholic District School Board. Programs offered will support Student Success strategies, Ontario Catholic School Graduate Expectations and are aligned with the Multi Year Strategic Plan.

Over the past few years, there has been considerable growth in Summer School enrolments with the summer of 2017 seeing 25,769 registered students. This represents an enrolment increase of over 63% since the summer of 2004, based on Annual Daily Enrolment (ADE). Together with Saturday program offerings, Night School, and August Orientation programs, students are clearly availing themselves to continue their learning well past the traditional September to June daily timelines.

The growth in summer educational programs will not create fiscal cost pressures for the Board, as additional revenues will be generated to cover any incremental costs.

The cumulative staff time required for the preparation of this report was 20 hours.
