

Delegation Submission from Robert Mignella for the 2024-04-23 Board Meeting

Given Archbishop Leo's call for pro-life witness in his January "Kingdom of God" pastoral letter and the Dicastery of Faith's recent "infinite dignity" declaration of the human person, I feel compelled to support Mr. Del Grande's pro-life proposal. That prominent Catholics such as Joe Biden, Justin Trudeau and Emmanuel Macron are all endorsing unrestricted access to the killing of preborn children in contradiction to Church teaching is a shocking and tragic scandal. Supporting the Archbishop's and Vatican urgent appeal shows strong solidarity and communion as Church.

Furthermore, with the playoffs underway, I wish to link our meager prolife efforts to those of the Toronto Maple Leafs in the hope of defeating the Boston Bruins and progressing deep into subsequent rounds.
