1. Reimagining how we CARE through the lens of...

FAITH, HOPE, & CHARITY

Creating a 3 Year Strategic Plan – The Journey Ahead

We believe that helping others can be life changing

Everyone can make a difference in children's lives

Will you help us?

THE FOUR PILLARS

Who We Are and What We Do

With equity at its core, our mandate is to ensure that all students have access to the supports they need to fully participate in all education opportunities and have equal opportunities for success.

- Student Nutrition Programs Feed over **63,000** students daily
- Emergency funds when the unexpected happens—help with temporary accommodations, funeral costs, assistive devices such as eye glasses, hearing aids, urgent dental work.
- Help with costs associated with field trips, after school, March break and summer camp programs for families experiencing financial hardships.
- Over **\$41,000** in vouchers dispersed annually to offset the cost of school apparel, and application fees for college and university.
- Committed to supporting summer child programming in high priority neighbourhoods
- Help for newcomer students.
- **\$50,000** in Bursaries and Awards offered annually
- Hands on student leadership opportunities with a focus on philanthropy and community service all year long with our A Team
